

Review for photoshoot “Corset love high res”

Tags: [Stockings](#); Published: [March 16<sup>th</sup>, 2013](#)

Here is a photo shoot done by a friend of Jeny and Alex. This is the second time that he has had the pleasure of photographing our beautiful Jeny. This time it was just before she became a mother. Jeny poses with her beautiful black corset from which a pair of black stockings are hung. She also wears black pumps and for the occasion she changed her hairstyle. Her long curly hair makes her even more beautiful. Did you notice she didn't have any panties on? Did you notice that her landing strip was different back then? The shoot goes well because Jeny is comfortable. She is first standing leaning against the wall of the room and presents her buttocks to us without shame. More and more relaxed, she is crawling and walking. But what is she doing? She moves towards Alex and becomes very, very naughty. Jeny would later tell us on her blog that it was the first time a photographer has taken pictures while she was having sex with Alex.
