This is a very short video of only 5:48 minutes, but it packs so much sexiness into that time.

It opens with shots of Jeny sat on a platform at the side of railway tracks. The tracks, with overhead lines disappear behind her into the distance. The platform seems empty, apart from Jeny.

Jeny wears a pair of bright blue heels. That is all she wears. The heels simply highlight her nakedness. Her lovely legs are on show as she spreads them out. She wears her hair up.

She then stands up and walks away, slowly along the platform. Her glorious butt sways as she walks, one foot in front of the other, to deliberately emphasise the sway of her body.

She then stops to bend over to pick up something from the floor. What a fabulous shot of her butt!

Jeny then turns to face the camera. She holds the orange cloth in her hand that she sat on at the start of the video. You notice (if you tear your eyes away from her gorgeous body) that in the distance, there is a bright yellow diesel engine on the opposite track. It seems to be getting closer!

Does Jeny run to hide? Of course she doesn't. She simply keeps her back to the engine. The next shot from lower down, shows between Jeny's legs, just how close the engine has got. (You need to move your gaze away from Jeny's breasts and pussy to notice it).

There are men on the engine staring in awe at the gorgeous sight in front of them, that they are so lucky to see. Jeny smiles as they pass her.

We see the engine disappear into the distance.

Jeny then moves to the sign that must give the name of the station. She decides to use one of the supports as a pole to perform an impromptu pole dance.

What a sexy dance it is.

You will need to look at the video to see some of the really close up “open” shots that Alex took between Jeny’s legs when she performed the butt squats as part of her dance routine. Until then it wasn’t clear if Jeny’s pussy was free of hair, but in these shots you can clearly see the few wisps of her landing strip.

The video finishes with Jeny looking into the camera with a lovely smile on her face. She seems so pleased with events.
