This video is one from the early days of jenysmith.net and is a wonderful example of what was to come. The first we see of Jeny, naked but for her shoes, sunglasses and straw hat!

Jeny is riding an ATV (all terrain vehicle) on what appears to be a disused air base. It is a gloriously sunny day. She sits astride this machine and circles Alex as he films his naked wife.

Alex has every reason to be proud of her, Jeny also has every reason to be proud of her body and she's proud to show her figure off as she is doing this. After several more circles, Jeny stops to allow Alex to get some close ups.

Jeny plays with herself, her hands naturally finding their way to her beautiful breasts before they are drawn to her hairless pussy. Knowing her audience so well she spreads her lips wide.

Jeny continues to pose, using the back of the atv as a prop. She turns so that her gorgeous ass is displayed for us. She leans forward and spreads her cheeks wide apart, her tight anus and perfect pussy are now fully on show.

Jeny looks stunningly beautiful as ever and she also looks so relaxed as she continues to circle us. Eventually all things come to an end with Jeny dismounted her steed and she walks away in to the distance.

Until the next time our paths cross.
