

## Review for video “Jeny Smith Hotel Area”

Running time: 11 mins 24 sec

After a pleasant day's holiday, Jeny takes advantage of a late evening by her hotel pool to create what Alex calls a sexy atmosphere. Sitting on a wicker armchair, Jeny, wearing a white top and a long blue skirt, quickly finds herself topless. After pulling her skirt up over her thighs, alone at the water's edge, she puts on her mischievous face, promising us some nice surprises.

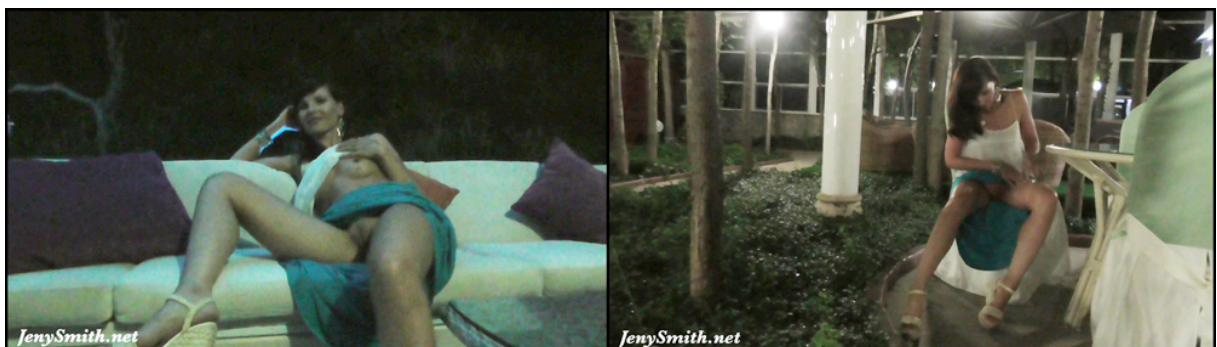

Her hands roam over her body. She caresses her neck, her breasts before moving down between her legs.

In order to stay discreet, Jeny puts her blouse back on and stretches out on the hotel deckchairs, on the beach side, to resume what she had started, namely taking pleasure. She plays with her nipples and begins a slow but effective masturbation. Suddenly she spots a silhouette not far from here, and rushes off in search of a new secluded spot.

We find Jeny on a bench, still around her hotel. She lifts her dress and then her blouse to continue her suggestive caresses. But there isn't enough light for Alex's camera, so she moves a little further away. She was quickly interrupted by the sound of voices, so she set off again.

She was just about to pull up her dress again when some hotel guests appeared. She definitely stops the game, which I think will probably resume in her room, but that's another story.
