

Review for “Failed Video”

I can understand why this video has only received 85 thumbs up as I suspect that the title (failed video) might dissuade some members from viewing this offering. Well I'm here to put that right because you get to see a lot of Jeny in the small time that the video runs for!

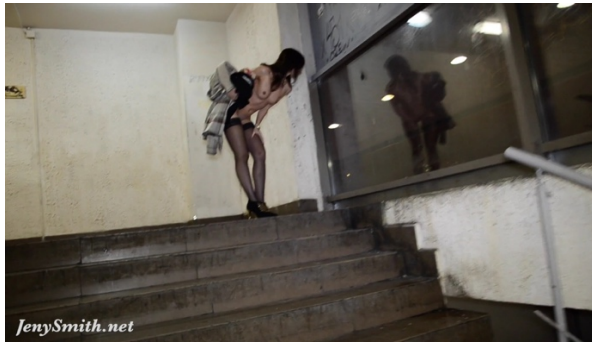

We join Jeny in the foyer of a large multiplex cinema. As we watch, Jeny walks across the floor and goes through the exit door. She is carrying her beige coat and what appears to be a black dress with black pantyhose and black ankle boots with gold braiding (which are my favourite footwear from that period).

When we catch up with Jeny in the stairwell it is obviously chilly as she is now wearing her coat over a bolero jacket and a short black dress with a sheer top, her beautiful nipples visible through the opaque material, she walks down the stairs and at the bottom she pulls her dress up and reveals her beautiful pussy in all its glory with just a smidgen of a landing strip which only draws ones eyes to her smooth hairless pussy lips. Jeny does what Jeny does in her videos, she can't resist stroking it.

But what's this,...Jeny has taken her coat off and is in the process of removing her jacket to reveal to us how sheer her dress is! She hears voices from above and checks that no one is about to catch her. Check complete, Jeny continues to disrobe, her dress is next to go leaving her naked but for black lace topped stockings and those fabulous boots! Jeny is so daring and clearly knows what excites us and her despite the cold which I believe she finds an aphrodisiac!

Jeny has to put her coat back on because she hears more voices but that's not enough to stop her placing one foot on the higher step to allow more space to masturbate! After she has played with her gorgeous pussy for a short while, she strolls across to the full length window but not before showing us her glorious bare bottom.

Sadly, Jeny has managed just a short time naked before a guy arrives to have a smoke and sensing that something naughty is happening, lingers whilst Jeny is wearing just her coat and stockings, her dress acting like a scarf around her neck.

Yes this happens to be a short video but it manages to pack a lot in and deserves a thumbs up from you! Again I must say to you who aren't already members to join us at jenysmith.net where you will find over one hundred videos and thousands of photos of your favourite teaser, hence Jeny's moniker Queen of tease!

It is excellent value for money and I, for one, can't imagine life without it!
