Running time: 32 mins 19 sec

For this video, which is called "her fantasy", it's important to remember that it was made over 8 years ago and that for Jeny, showing off in a public place was not yet a matter of course.

Jeny told a friend about her fantasy. A friend who owns a bar. She explained to him that she would like to be a waitress for an evening, a very special waitress, a very naughty waitress. Knowing Jeny and Alex well, he was quickly seduced by the idea. A few weeks later, the evening was planned for the bar's customers and announced as an evening where nudity would be the theme.

Jeny is happy and very excited. A few hours' drive and they arrive at their hotel. After a light meal, Jeny gets dressed for the evening and they head for the bar.

After a few instructions from her friend, the owner of the bar, Jeny took possession of her work space. She is wearing a very short leather skirt, a white T-shirt, a leather jacket and a white hat.

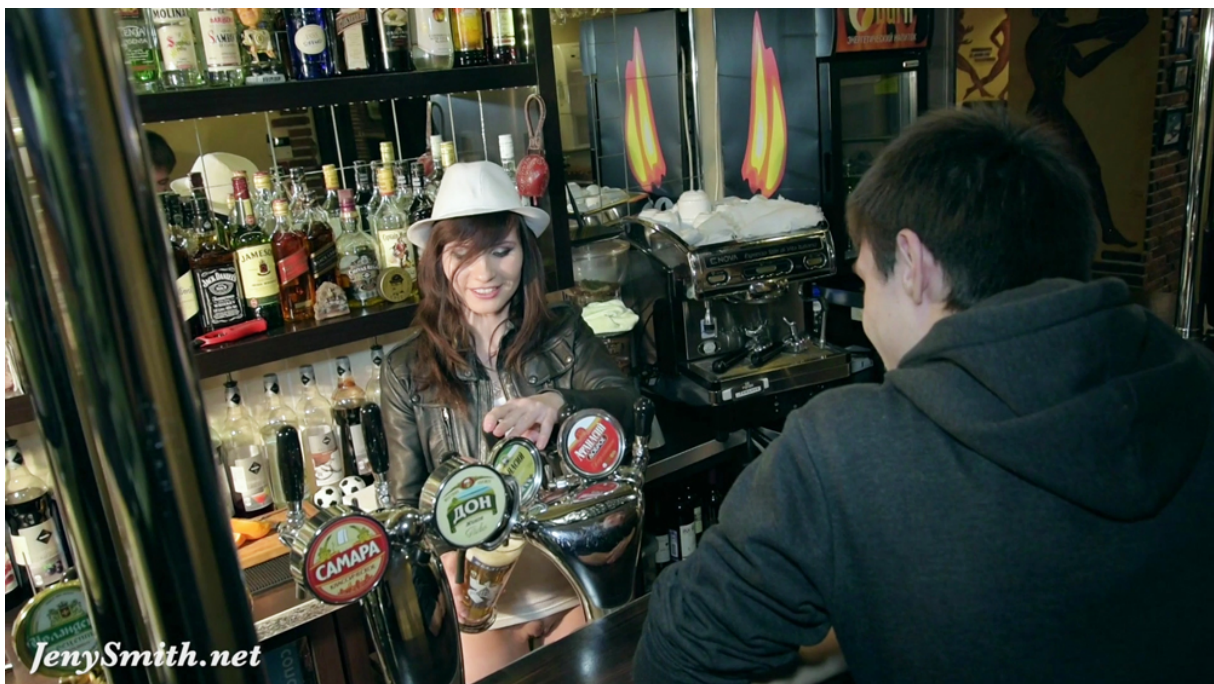

Jeny begins service with her first customer in the dining room.

Back behind the bar, Jeny is talking to a customer. And when she leans over the counter, we notice that she's not wearing any panties. Is that a surprise? Well, not really!

Now Jeny is pulling up her skirt. Her pussy is really visible but no one has noticed yet. She fills the glasses with beer, talks to the customer in front of her and starts to get excited by the situation while new customers arrive in the dining room. Back in the dining room, Jeny's ass seems to be appreciated by the customers. Returning behind the bar, she decides to get even naughtier and takes off her skirt.

A guy has just approached the counter. He orders a beer and immediately notices Jeny's outfit. A pleasant discussion begins between the two about what he sees and Jeny encourages him to look at her butt and her pussy without fear.

While Jeny's back is turned, he calls one of his friends and asks him to come and see the waitress. Jeny now has two admirers. A customer in the dining room orders two beers. Jeny says she's not shy and can deliver the drinks bare butt. Deal say the two guys.

Jeny is constantly on the move, moving from the bar to the dining room without embarrassment, talking freely to customers about her nudity and playing up her charms. And when the guys at the bar ask her to take off her leather jacket, she doesn't have to be told twice.

Jeny continues her work half-naked and everyone looks happy.

The evening is almost over, the dining room service and bar are finished, and Jeny is still planning to have some fun. We follow her on an improvised dance floor. Poses, selfies, complicity with the customers, the end of the evening is perfect.

Jeny continued to dance and took off the only piece of clothing she had left. She is now naked and the audience applauds. The poses become more and more suggestive. Girls and boys cheered as she continued her show, standing on a table.

Finally, Jeny joins the boys at their table to talk about the evening. She's happy with all the friendships that have been made, with the smiles of desire on some of them, but always with respect.

Jeny realised her fantasy and for that she thanked everyone. Being naked in public, hiding nothing of her charms and opening her legs so that everyone could enjoy her pussy, her landing strip, would remain one of her greatest fantasies, even years later.
