

## Review for video “PopCorn”

Although a fairly short video, this one certainly deserves a review!

We begin in a tennis court size tarmac covered surface with a high metal fence which has goals painted at each end. The setting for this is a large municipal park and with it being a very sunny day there are people walking around at all times.

Enter Jeny wearing her home kit consisting of a tight black hooped vest top that leaves her midriff bare, a black elasticated mini skirt and a pair of thigh high white socks and finally her football trainers,

Jeny starts her warm up regime with a quick kick about, showing her ball dribbling skills. As she runs about the court Jeny, her skirt flaps up and down showing she has forgotten part of her soccer strip! Luckily our camera man is shooting from ground level and as Jeny dribbles close by we get a pitch side shot of her bare butt cheeks!

Jeny is playing with herself as spectators continue to cross, back and forth. She needs a break and she sits on the ball allowing us an unrestricted view of her perfect pussy. As is normal for Jeny, she wears a tiny landing strip which leads to her smooth hairless pussy lips.

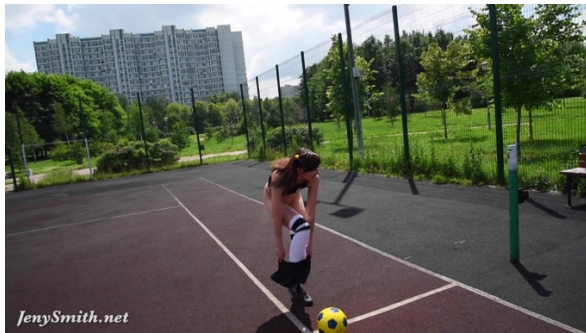

Having warmed her muscles up Jeny is giving us a chance to watch her footballing skills with a display of 'keepy uppy' which leads to her skirt flapping about and further flashing of both ass and pussy.

Jeny is ready now and she kicks off ( this is a game of 2 halves and Jeny takes that as half of her kit has to go!) So off with the skirt, which is watched by a couple of people close by. At one stage it appears that Jeny is going to use her skirt for a goal post! And if her opponents turn up they will have to swap shirts after the game!

Jeny would make an excellent role model as she is always leading from the front and her team would beat any football team, she would be as sick as a parrot if she wasn't fit to play!

The fact that the crowd was building as more people realise that Jeny is bottomless, means that Jeny's skirt has to be reinstated, that doesn't mean that there's nothing to see! The crowd thinks it's all over.....

It is now! One last raising of her skirt and the 2 guys who have booked the court wait patiently and their patience is rewarded by a flash...

I am led to believe that in her youth, Jeny did play soccer and even represented her country. I've been trying to find out if this is fact or fiction!

I've put a link here to Jeny's YouTube page where you can see her having football fans from around the world when Russia hosted the World Cup signing her white outfit.

Poka poka.
