Running time: 23 mins 34 sec

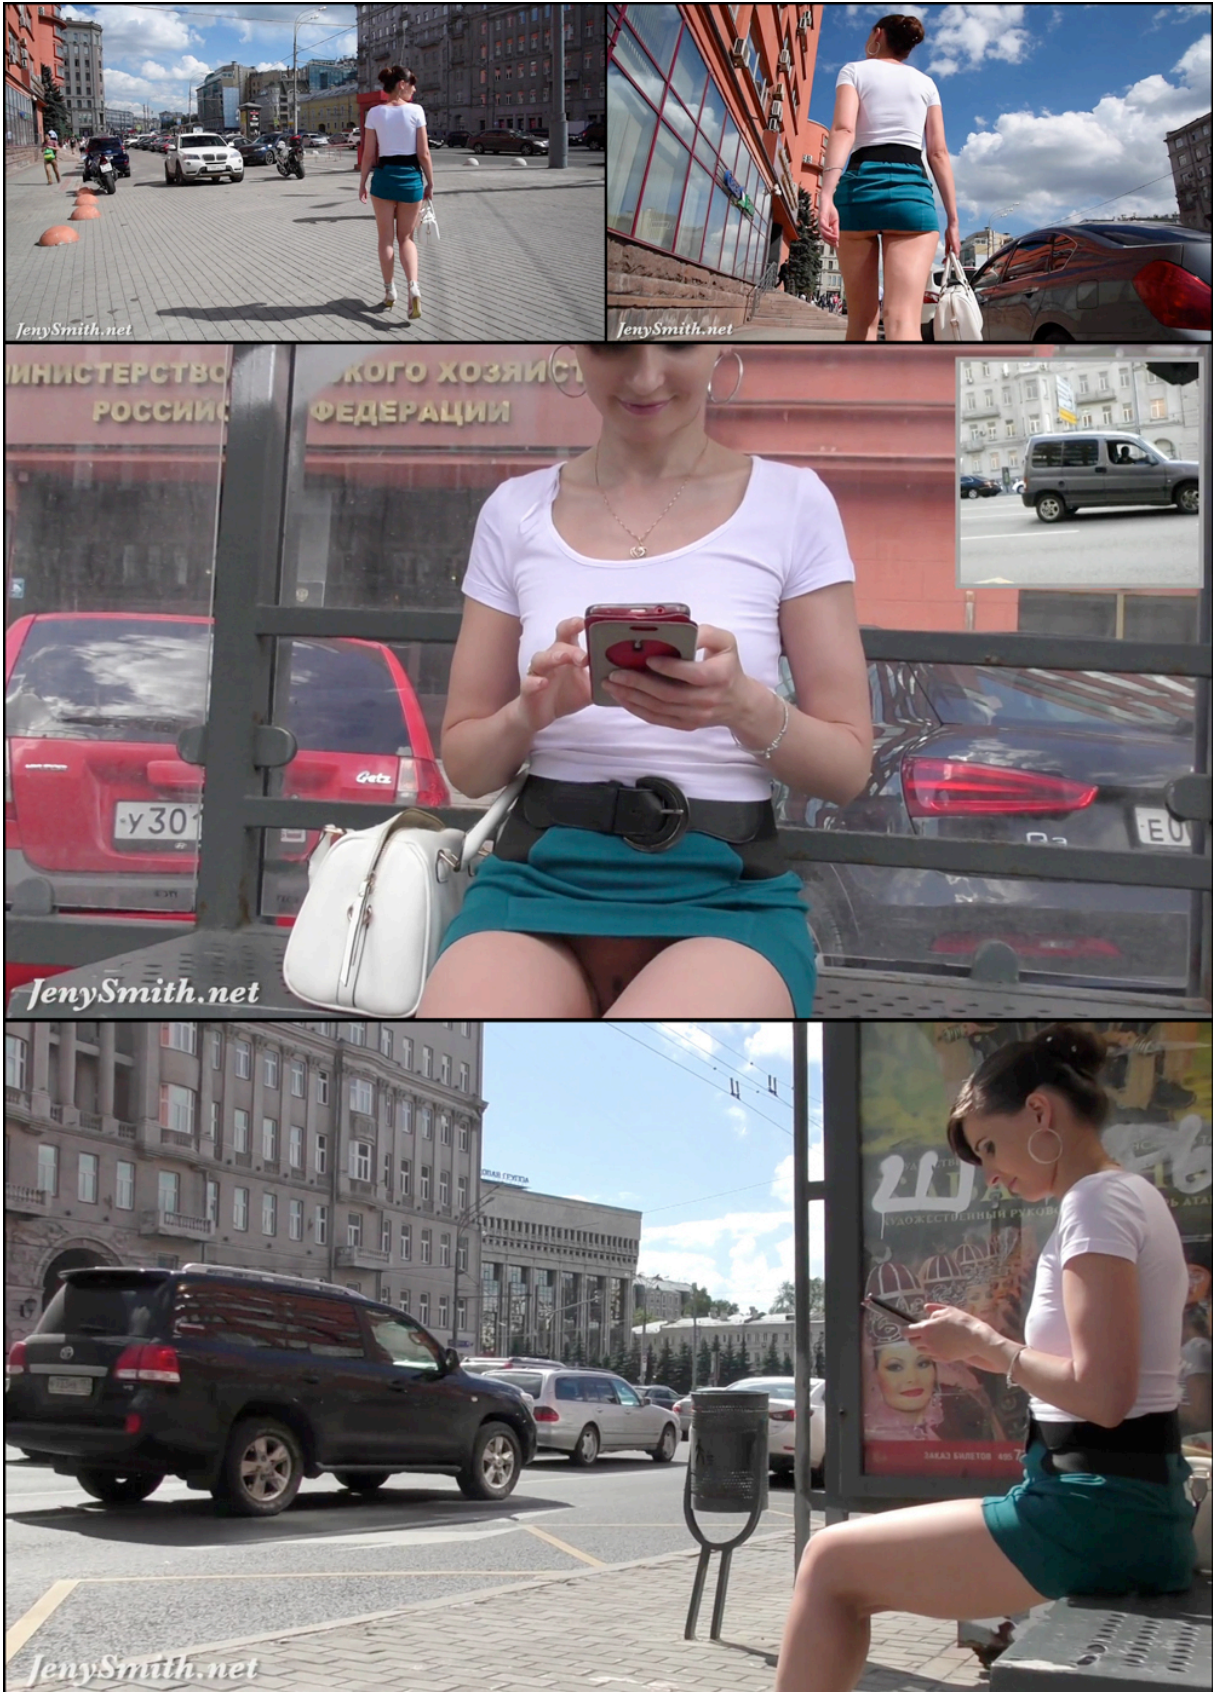

Isn't it a dream to follow Jeny around the city? The dream is coming true. We're with Jeny who, for the occasion, is wearing a blue-green mini-skirt and a white T-shirt through which you can tell she's not wearing a bra. Her skirt is so short that you can see her buttocks very clearly. She walks along the pavement before stopping near the entrance to the subway, where we see her pull up her skirt. Some passers-by noticed. But there she goes again, pacing back and forth in front of a gatehouse, hoping to get noticed by the guard.

Jeny continues to make her way through the town centre. Many passers-by turn round as she passes, as her skirt rides up and the view of her buttocks is exciting. Motorists slow down to watch her and even a guy in a lorry filmed Jeny through the open window. We now see her descend the steps of an underground staircase and climb back up the other side.

Arriving at the bus stop, she sits on the bench and checks her messages on her phone. She's facing the road and her skirt, which is too short, offers drivers an exceptional view of her pussy. Many have taken advantage.

We find Jeny leaning against a wall. She's just hiked up her skirt to reveal her landing strip. Overly excited, Alex joins her and kisses her. He pulls Jeny's skirt up to her waist and firmly gropes her buttocks.

Still with her buttocks exposed for all to see, Jeny recovered from her emotions.

Here's Jeny sitting in a café. She's quietly stroking herself despite the customers on her right, then spreading her legs so the guy at the table opposite can enjoy the view. Her nipples peeking through her T-shirt are proof of her excitement.

Our walk with Jeny ends here. She's sitting on a wooden bench along the pavement. Attentive pedestrians will easily be able to spot her beautiful pussy. Jeny then finds a spot where she can sit as close to the street as possible, and she doesn't hesitate to open her legs and show us her wonderful landing strip. An unforgettable day for us her fans.
