

Review for video “Kick Scooter day 2”

A review of one of my all-time favourite videos which astonishingly only has 120 thumbs-up but also has 0 thumbs-down. Anyway let's get started!

We start off parking by the river in Moscow on a bright sunny day and Jeny is wearing sneakers, a white t-shirt and a checked blue shirt and nothing, I repeat, nothing else. There is a wide boulevard running alongside the river which is used by pedestrians, cyclists and skateboarders and to one-side is a busy road.

Into this scene comes Jeny with her scooter and Alex (pixeled for some reason) on his bicycle. There is a camera on the scooter pointing to her crotch and one fitted on handlebar of Alex's bicycle to fillm Jeny from behind.....and so the video and fun begins.

From the very start Jeny's bare butt is completely exposed as they move off with Alex keeping his distance so that not only do you get a nonstop view of Jeny's perfect ass but you get to see how many people are out and about. The camera on the scooter gives a fantastic view of Jeny's perfect pussy as there's nothing to obscure the view.

Jeny is in her element here and she doesn't have a care in the world. This really is eroticism and exhibitionism at its height and why Jeny is the Queen of tease. She rides up and down the pavement until she takes a break to have some pictures taken. After a short while off comes her shirt as she now poses in just sneakers and t-shirt! Her bare butt and pussy are fully revealed and if that wasn't enough exposure, Jeny goes for a scooter ride with only her t-shirt which covers nothing of her fabulous body.

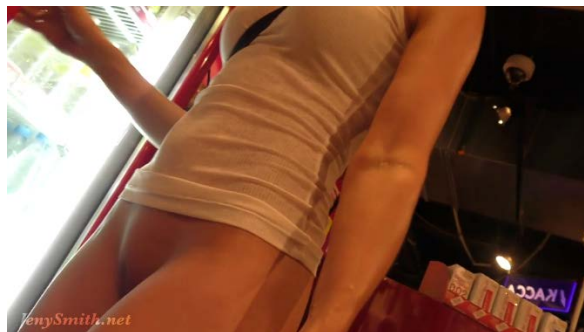

Jeny puts her shirt back on but still her ass is exposed and she continues to scoot alongside the busy road, at one point passing workmen repairing the sidewalk. They fail to notice the goddess drifting past them!

The best is yet to come!

Clearly this is thirsty work so naturally Jeny needs a drink of cold water. So she casually rides up to busy Square and leaving her scooter on the ground she takes the shirt off. The 3 people sat on some steps look on aghast as do a couple of workmen and a woman walking her dog can't believe what they are all seeing. Jeny, oblivious to the commotion she has caused casually goes to the fridge and then queues up to pay (she couldn't shoplift as she has nowhere to hide the goods!!) Then she exits the shop and putting her shirt back on, rides off!

There's a brief period afterwards when Jeny rides her scooter with her butt cheeks and pussy lips on show before, finally, she puts on the miniest of miniskirts and the screen goes black.
