

## Review for “The Naked Truth”

Tags: [salesgirl](#); Published: [October 19<sup>th</sup>, 2016](#)

This is the first of six reviews of Jeny who has got a job as a sales girl in a sex shop. She will prove to be a very valued addition to the team with her unusual sales techniques as we will see over the coming ( behave yourself, that is not a spelling mistake!) reviews.

We are directed to the shop via a dark corridor to a door through which we find a brightly lit shop which is full of exotic merchandise and seated amongst the displays is our very own Jeny. She looks incredible in her non-regulation uniform, a black short length jacket, black stockings with a lacy black suspender belt and a pair of black stilettos.....and nothing else!!

The customers have been warned that there is naked activity beyond the door and one young guy ventures in. It will be a night he will never forget! A simple hello is the greeting exchanged between the two players.

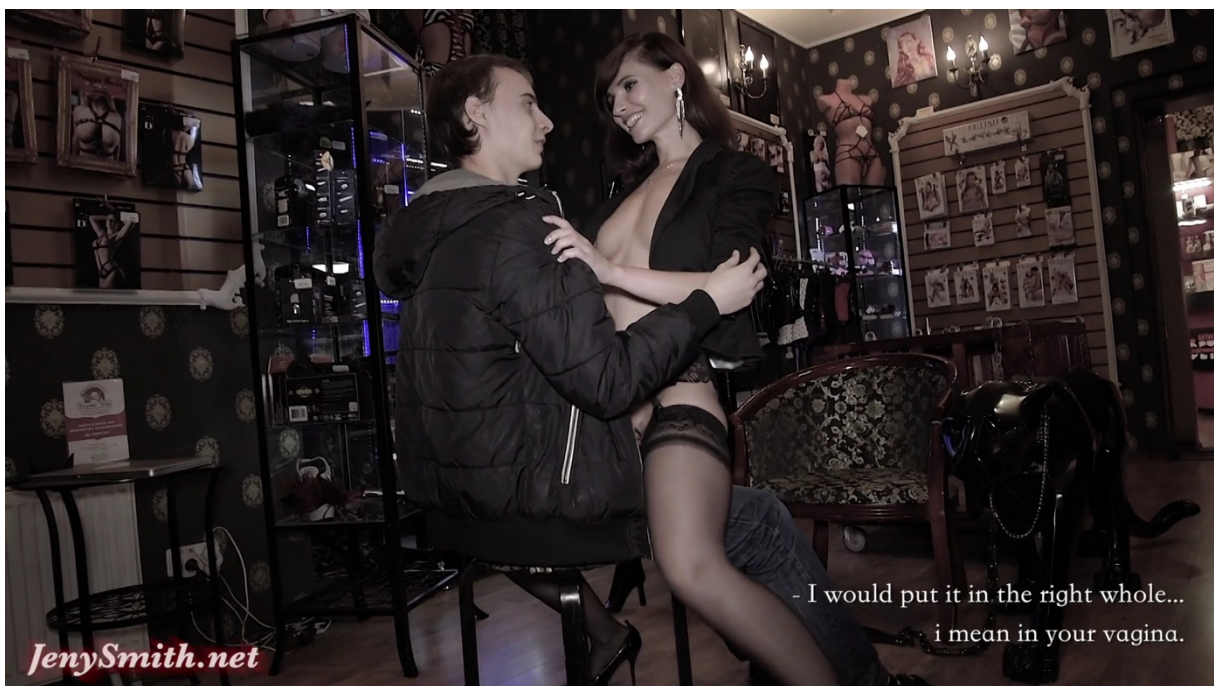

'is this your first visit to a sex shop?' asks Jeny 'yes' comes the reply (I've a feeling it won't be his last!) Pull up a stoll, orders Jeny and so seated opposite our femme fatale, the questions begin! 'So you've come in for your dose of sin?' she asks her victim, 'yes' is his timid reply. It is like watching an insect entering a Venus flytrap

We can laugh at his shyness but who amongst us would fare better in such a scenario! Here is a young guy sitting across from our goddess who is not shy in hiding her sensational body, she spreads her legs wide to display her completely smooth and hairless pussy and her breasts are not to be ignored with their erect nipples.

Jeny is in full seductive mode, sometimes leaning back in her chair, at other times leaning close to him and speaking with the most erotic husky voice, the victim doesn't know what's hit him! Just 5 minutes in and he finds himself telling Jeny all his darkest fantasies. Egged on by our temptress we watch as Jeny guides him through the labyrinth of toys that will bring excitement to his and his partner's sex life. "No, not those handcuffs, these heavy ones are much better!" "This butt plug!". Jeny talks with the voice of a person with first hand experience of each product. Like a rabbit caught in headlights, Jeny leads him around the shop, picking out the toys they had been discussing, well it was mainly Jeny doing the talking!

Jeny leads him to the till. I have the feeling that he would have purchased the shop if his finances would have allowed him to. He will leave the shop with many erotic thoughts of Jeny, the Queen of tease. And just remember this is the first of six visits we will make!.
