

## Review for Jeny Smith “Need Help” Subtitled: New Sales Girl episode 3

Tags: **Help,Sales Girl**; Published: **December 07<sup>th</sup>, 2016**

So the adventure continues with Jeny, a sales girl in a sex shop. An asset to any team, today's staff uniform consists of a figure hugging short blue dress (and when I say short, I mean short!) a black belt, black lace topped stockings and black stilettos. She has been given the task of restocking the top shelf but there's a problem.....

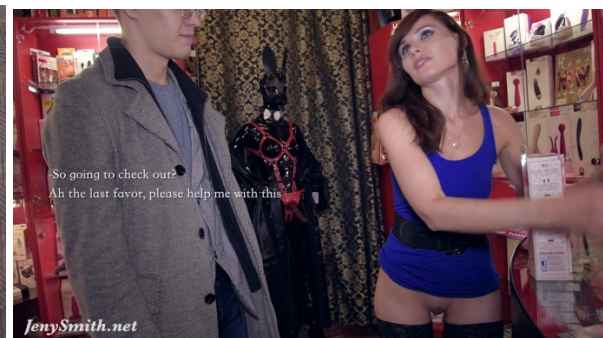

.....Jeny is scared of heights! Step forward our hero, her first customer! After explaining the issue, Jeny asks him to hold her at the waist as she climbs the step ladder. but where his hand is makes her giggle so she places his hand on her upper thigh and there's the box safely in position. Stepping back down..he 'accidentally' manages to pull the dress up and thereby exposing her bare bottom and fully shaven pussy to our gaze! Jeny quickly pulls the hem of the dress down and her dignity is restored!!

How can she help, she asks. "I'm looking for a funny gift for my friend " After dismissing an inflatable doll as too expensive, Jeny suggests a cheaper alternative....an inflatable vagina which just happens to be on the top shelf!

This time when Jeny climbs up the ladder the customer wastes no time in giving her a helping hand via her bare butt cheeks. And when she returns to terra firma but this time she leaves her skirt where it ended up, her beautiful bottom and perfect pussy clearly visible. Jeny spends the next few minutes discussing the pros and cons of various toys ( this girl knows her stuff!) and always with her skirt up near her waist!

As the customer pays for his purchase, the screen goes black, presumably for security reasons, ie so we can't see him entering his pin number!

If I've wetted your appetite and you want to see more (after all there are another 5 in this particular series!) then please join us at [jenysmith.net](http://jenysmith.net) where you will find over 600 videos and thousands of photos.
