Our Jeny is really getting the hang of what you should be to become a successful sales person in a sex shop. Firstly, you need to know your products and certainly Jeny has done plenty of research on this! You need to know your customer, which if you have watched any of the previous episodes you will have seen her interaction with customers will have seen her 'hands on' approach. And thirdly dress to impress and Jeny never fails to achieve maximum results!!

She is interrupted by the door bell announcing the arrival of her first customer, a young man who is just 'browsing'! Never one to miss a chance of a sale or to show off her gorgeous body, she hones in on her prey with the skill of an eagle! 'Is there anything I can help you with?' "What about this range?" Jeny reaches up to show him a patent leather bright red boot and in the process show him and us her naked ass and pussy as she spins back. He is lost in that moment (and would have bought the entire shop had he not been saved by the bell or in this case, a second customer entering the 'arena')

He is a far more confident person than customer number 1, which clearly resonates with Jeny who in a subconscious act of submission can't help pulling up her t-shirt and showing him her hairless pussy in all its glory. Unfortunately there are no subtitles so you must take my word for it that I'm reading their body language correctly!

Jeny is now talking to both of them about the merits of the corsets and basques that the shop stocks. The confident guy is distracted by a pair of hand cuffs that he insists Jeny try on. No sooner has he said the words than Jeny is trying them on for him. She indicates to him that she should be spanked for having such naughty thoughts. As he is slow to pick up the hint, Jeny slaps her own butt cheeks. She is at her happiest when she is teasing and she loves spontaneity and that's why Jeny is a joy to watch. She has the attention of 2 men and has them eating out of the palm of her hand.

With the second customer Jeny plays the role of a submissive and has him imagining that she is bound and gagged and then she is on her hands and knees between his legs urging him to use a crop on her bare behind.

She then turns her attention to the first guy and talks to him about the range of vibrators and dildos that he might like to use on his partner. Finally she reaches under the counter and pulls out a large pink phallus which she strokes in the suggestive way that only Jeny can. We end the session with both men leaving with goods that they never realised they needed.

Hopefully Jeny gets paid commission! She certainly deserves it and on that note you deserve to be a member of her site! Join us at jenysmith.net not only to see Jeny working her beautiful butt off as the sales girl but also in the 600 plus videos and literally thousands of photos that have earned Jeny the title of Queen of tease!
