

## Review for video “Jeny Smith - Pantyhose overview English subtitles”

Running time: [33 minutes 43 seconds](#)

The video begins with Jeny sitting on a large cream sofa with a variety of pantyhose spread out at one end with Jeny at the other end. She is wearing a white short sleeved top over which is a lilac jacket. She is naked below the waist and wears high heeled black shoes.

Picking the first pantyhose Jeny stretching them out she talks about the quality of the tights and, yes, they are seamless! As I have already said, the video is unfolding in two directions one is the youtube version with Jeny placing her hand over her pussy so that no pubic hair is visible and the website version with nothing hidden. Why youtube should ban such a creative lady as Jeny is beyond me! Jeny clearly knows her subject as she notices something she doesn't like which to the untrained eye would pass quality control.

You won't find it difficult to spot the differences from one platform to the other as soon as Jeny stops parading ( her butt looks amazing in seamless tights) So where were we? Oh of course Jeny was parading up and down, her legs looking fabulous especially as she is in stilettos and now she sits down on the sofa and spreads her legs so that nothing is hidden from view and then Jeny is doing a

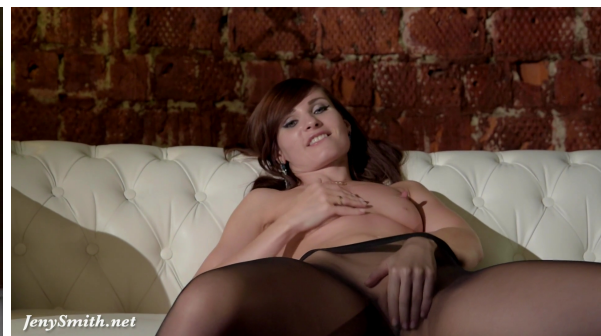

test as to whether she can feel her pussy through the material with her fingers 'the proper test' is what Jeny calls it!

Jeny tries on the next pair which have a thick seam but no gusset that fail the 'proper test' as do the 3rd pair which are according to Jeny great for everyday wear but no good for erotic wear! So what pair will she choose to wear for the last scene? Why it's the Sisi pair of course!

Jeny loves these seamless tights for so many reasons and she demonstrates why for us! Firstly she shows us that they don't obscure her perfect pussy in anyway as she spreads her butterfly revealing how wet she is. She removes her jacket and then her t-shirt to reveal her fabulous breasts and nipples

Jeny is using the sofa like some huge sex toy! She wraps her gorgeous body around the sofa ending up with her legs open wide and with her perfect pussy finally finding and surpassing the 'proper test'

Jeny writhes around the sofa sometimes she's lying with her head over the back of the sofa with her gorgeous nylon encased bottom in the air and at other times she has her legs spread over the arm of the sofa. When Jeny finds herself in that position again she tears the crotch and revealing her pussy she plays with her clitoris and continues to rip the material into ever larger holes, clearly we have long since passed the youtube qualifying material.

Jeny is not satisfied until her beautiful butt and perfect pussy are now fully nylon free.

Having escaped the confines of her pantyhose she relaxes and rubs herself to a well deserved orgasm So ends a very enjoyable video and I think it proves without a shadow of a doubt that if Jeny feels the need to wear pantyhose then seamless are the way forward. Otherwise it should be stockings or naked! I'm sure that there are diehard fans of all things nylon but I'm writing this review and so I get to choose!
