The video begins with Jeny wearing a black leather jacket with a black and white dress, black lace topped stockings and black ankle boots with gold braiding. She paces back and forth beside the car stopping briefly to bend forward over the bonnet to give us a fleeting glimpse of stocking tops and then moves to the rear of the vehicle and slowly raises the hem of her minidress to reveal the smallest of landing strips and bare pussy lips and turns once more to show us her gorgeous ass bare as nature intended!

Jeny continues to play a waiting game for the next quiet moment in the traffic. Suddenly Alex is aware that the security have parked a little away from his car and fearing discovery ushers Jeny to sit inside the vehicle. Is the adventure over? Not if Jeny has anything to do with it! Pulling the dress up around her waist and with the door open precedes to open her stunning legs wide revealing how small the landing strip is, her beautiful pussy lips fully exposed. The next scene has Jeny sucking on a large pink rubber dildo and those beautiful eyes betray her mischievous nature. Having wet her toy Jeny slides the phallus into her pussy and she starts to masturbate, ignoring the sounds of vehicles and the people going about their business not knowing that the sexiest lady on the planet is pleasuring herself. Then she is out of the car and sticks the dildo to the side of the vehicle and bending over so that gorgeous ass is exposed fully and sucks the pink toy until, turning around she starts to fuck herself! We, her secret audience, are treated to that look on her face that lights up when Jeny is aroused.

Sliding off of the large pink member she squats down beside the car and with her legs spread wide Jeny inserts the dildo in her wet pussy and continues to pleasure herself. Every so often she stands and with one hand on the roof of the car and legs spread wide Jeny is free to fuck her pussy and it's a butt lovers paradise! With the security guards still lurking she again squats down.

Does Jeny reach her much yearned for climax or will the guards ruin it for her. Only by watching the video will you know what happened next! If you're not a member why not!
