Running time: 08 mins 43 sec

It's a beautiful day in Moscow and who can possibly make the scene even more picturesque, none other than the Queen of tease.....Jeny, of course!

Yes, Jeny in a lemon yellow patterned short sleeved dress looking gorgeous with her hair almost ginger in the sunlight and her dress is just above knee length and she's wearing straw coloured wedge heeled shoes.

But is that all Jeny is wearing, well we will soon discover. She is walking in one of Moscow's pretty parks and goes over to a bench and sitting down she fans her dress out and in doing so she reveals a huge amount of bare flesh and she, as we might have guessed, is pantieless

Jeny sits in the sunshine and looks so relaxed but she's not going to get noticed where she is so with one last flick of her dress she strolls through the park stopping once to lift her dress up to her waist and for the first time but certainly not the last we get a superb view of Jeny's perfect pussy with its tiny landing strip hiding none of her hairless pussy lips!

Jeny walks further in to the park and, again, finds an empty bench to sit and once again we see Jeny adjusting her dress so that others can get such a sexy view, bare skin right up to her midriff!

Anybody who is lucky enough to catch sight of her adjusting her dress would know that Jeny is naked beneath her dress. Once again she finds somebody else who, surely, must notice the beautiful lady. But no, he is too busy looking at something on his laptop (we can only forgive him if he is watching Jeny on jenysmith.net!)

Jeny hasn't given up with being noticed. She strolls in the woods but this time she tucks the hem of her dress in the thin belt she wears and her perfect pussy is now permanently on view

Jeny walks through the woods and she is determined to get seen by someone, anyone! And finally a lucky man driving his tractor gets to see what so many people in the park failed to observe.

We leave Jeny still with dress tucked in her belt as she blows us a goodbye kiss

Poka poka
