As the video begins we find Jeny laying on a very large cushion in a park, she is wearing a navy blue lightweight jumper, stockings and a short skirt. We can see she isn't wearing panties because Jeny opens her legs occasionally as she seeks out a victim to tease! There's plenty to choose from as the park is busy and the weather is good. Soon we catch sight of a man watching Jeny from a distance and as he plucks up the courage to talk to her, they make eye contact and a beguiling smile from Jeny encourages the man to speak to her and soon he is sitting next to her and Jeny can't resist flashing her stocking tops and naked pussy.

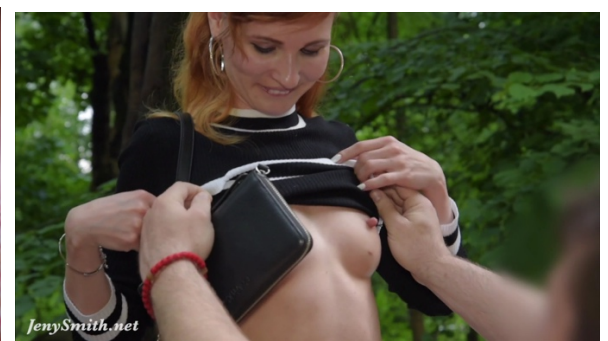

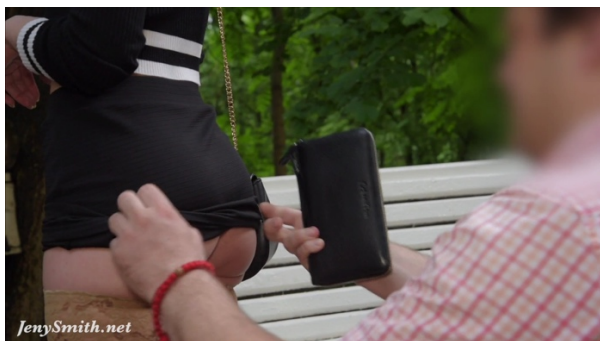

We rejoin them as the 2 of them enter the wooded area and the man tells Jeny that he was so excited to see her and his heart missed a beat when she agreed to show him more hence the walk in the woods. He says that he never expected to see Jeny and she's so beautiful.

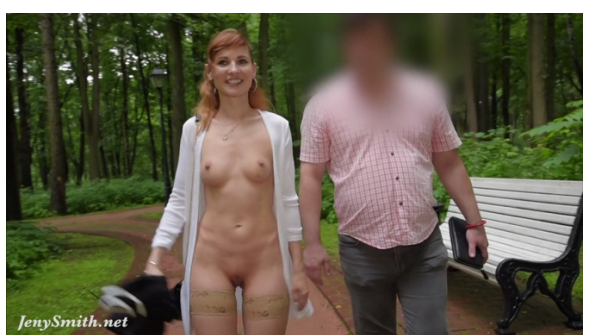

They stop at a park bench and with Jeny now seated, we see how short her skirt is, her stocking tops shown along with her naked pussy. The guy is nervously standing so he can see everything that Jeny has to view and that is a lot! She opens her legs wide apart to expose her pussy lips and a very small amount of pubic hair.

Jeny becomes more daring and as the man kneels to be at eye level with Jeny's pussy, she pulls her skirt up so that he can see her treasure. Then turning her back on him, she adjusts her skirt so that he can see her beautiful butt cheeks. Turning back to face the still kneeling stranger, Jeny asks him to adjust her skirt to the length that she should wear it, needless to say, he raises it so that her lips are exposed. Jeny suggests that he do the same with her jumper and soon her naked breasts (you surely didn't expect her to be wearing a bra did you?!) and those fabulous nipples. The guy can't believe what he is seeing as Jeny bends over, pulling her skirt down at the same time!

She casually steps out of her skirt and stands in front of him with top pulled up so as to give a view of her incredible figure that he will remember for all-time.

But Jeny is just getting started, after all she's not known as the Queen of tease for nothing! Handing her skirt to the man, she retrieves a longish white cardigan and now just wearing her blue top, stockings and her (open) cardigan she walks beside her newest fan whilst pulling the top up revealing her breasts.

They stroll along one of the many paths that crisscross the woods and Alex, who has been capturing every moment of Jeny's latest adventure films her lifting up the cardigan so her gorgeous bare butt is exposed and then films her as she reveals her body in all its magnificence. She quickly covers up her nakedness as a young guy almost catches her.

This appears to spur her on as she removes her blue top and now clad in just her white garment and stockings Jeny walks confidently alongside the now not so much a stranger. By now it has started to rain on her parade and so, presumably to keep her clothes dry, she takes her cardigan off and so wearing nothing but stockings and a clutch bag she strolls along feeling the rain on her fabulous body not even bothering to hide when a walker appears behind her. Unfortunately for us the filming must come to an end as the rain gets heavier. The video ends with Jeny still naked.
