Follow her – An Evening in (an Invisible) Touch to Jeny

Invisible Touch (Genesis, 1986)

Well I've been waiting, waiting here so long
But thinking nothing, nothing could go wrong, ooh now I know
She has a built in ability
To [fascinate everyone who sees her]
Well I don't really know her, I only know her name
But she crawls under your skin
You're never quite the same, and now I know
it seems I'm falling, falling for her
She seems to have an invisible touch, yeah
She reaches in, and grabs right hold of your heart
She seems to have an invisible touch

The surprise

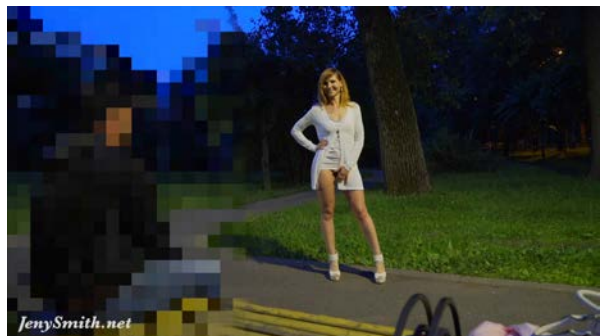

Sitting in my home office, I was happy to detect a video in Jeny's archive that was new to me. It is in fact an old one, from 2017. So I start watching. I learn about another fan of Jeny who is followed by Alex and his camera. The fan, I will call him F, is going into a park. He is telling us – and he is telling me – that he was fascinated by Jeny, her personality, her videos, her body! And he wrote her an email. And – what a surprise – Jeny answered him that they can meet. Only one rule: he can follow her, he can watch her, but with some distance! Is it Alex's camera or is it me, standing now directly behind F, and then for a better view directly side by side with F? And we both, F and me, are now seeing Jeny in front of us.

Meeting her in a park

We are in the park, and Jeny is standing there, in a bright coat, smiling. Yes, I think, a lot of fans **have been waiting, waiting so long**, for a chance like this! **Well, we don't really know her, we only know her name** – and her videos and photosets. Jeny opens the coat, a white jacket, and she is lifting her white – is it a t-shirt, a micro dress? No panties! I see her knowing, her seductive smile again! **I was thinking nothing, nothing could go wrong**, when starting her video, **but now I know that Jeny has this built in ability to fascinate everyone who sees her, she crawls under your skin!**

Now she leads us to a bench in the park, we should sit down! F is nervous, I am too, because Jeny is now getting rid of her coat. Jeny is posing in front of us, a little bit excited, because she is always observing her surroundings, passers-by, bicyclists driving through the park. She poses and we see her from in front or from behind and she is lifting her jacket ...

Following her to a liqueur shop

Jeny needs no talking, she has her body language. She is showing with her hand, with her fingers, that we should follow her. And we do. Jeny is going out of the park, on a longer pathway, a large open space to the left. We are going directly behind Jeny, so that we have good angle to view ... she now even got rid of her jacket, now walking in this ultra-short t-shirt dress ... and she is lifting the dress a bit ... what a butt! I am nervous and I am looking behind me, at least there is no other except F and me walking behind Jeny now. Now Jeny is turning to us ... and ... no Jeny, you cannot do this, she is pulling her dress quite high, so we have a view to her pussy, her chest, her nipples ... and her bright and happy smile!

In front of the shop

We are arriving in front of a liqueur shop. It is now dark, but the shop is brightly lit, large windows to the pavement. Jeny is posing in her ultra-short mini dress, lifting it, going closer to the shop entrance – the cashiers of the shop should be able to watch her, too? We are sitting on a bench, Jeny is joining us there. She is sitting next to us, playing with her legs, lifting her legs on the bench, turning herself to us and then spreading her legs ... F and I are excited ... hopefully no other person will disturb us now ... and Jeny is happy and smiling to us, her brightest smile you can imagine. I guess she can see how nervous and how excited we are, only watching her! But **you can feel her invisible touch**, she is touching us with her beauty, her moves, her friendly personality. She is now turning her butt to us ... now she is even going around with her dress lifted ... and the top pulled down ... Jeny is posing topless and bottomless, a little bit of white fabric on her tummy!!

Following her through the city

Meanwhile, we are walking again, and F and I are carrying Jeny's clothes, because she is now completely naked ... Jeny, what if there is somebody ... but Jeny is happy and walking quite fast ... we have to hurry up behind her. A little relief for us, that she tries to hide a bit of her body with her white t-shirt now. We are looking from behind and can see her butt cheeks ... what can the pedestrians see who are coming towards us? Her naked pussy? We meet couples with dogs ... and we try to call Jeny "pull the dress a little bit down"! Jeny doesn't hear us, she is walking through the city giving us wonderful views. From time to time, she is turning to us to show us her gorgeous smile ... Suddenly, I hear F. He is giving his "wrap-up" for this unique adventure in his life – to meet Jeny, to follow Jeny an evening long ... he says that he was more nervous and more excited than our bold and brave and self-confident Jeny, going half naked meeting other persons frequently. After this evening, **we are never quite the same, and we know, it seems, we have been falling for her!** She has **this invisible touch**, even being some meters away, **and she reaches in and grabs right hold of our heart.** Thank you Jeny, for inviting us! Us? She did invite F, and I notice that I am only Alex's camera,

showing the whole evening as if it wasn't F alone, as if it was US (!) following Jeny! Following her, being so near, but unreachable, in (an invisible) touch to her!
