

## Review for video “What I Love”

Tags: No; Published: September 14<sup>th</sup>, 2017

Running time: 10 mins 13 sec

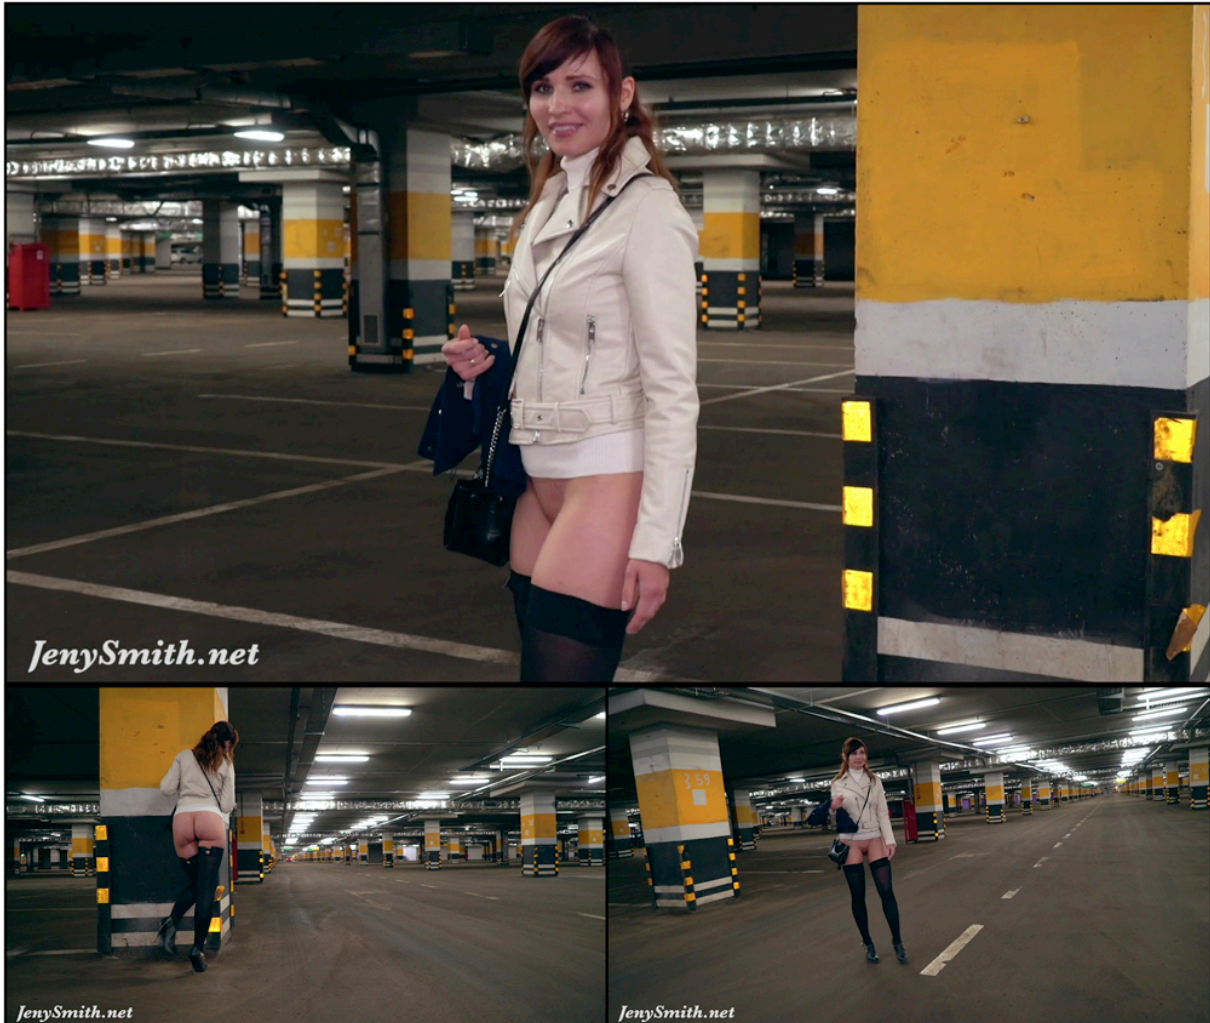

This is one of my favourites as it is a look into what excites Jeny and how much she loves what she does.

It begins with our Queen of tease in a multi storey car park and she is wearing her white leather jacket over a polo neck jumper. She is wearing black stockings over a short blue miniskirt which features a series of poppers down the front of it. I know that they are poppers because Jeny's first action is to pop them open to reveal her perfect hairless pussy. For a brief period she walks across the garage floor, holding the skirt open, until she suddenly pops open the last popper and the skirt is off!

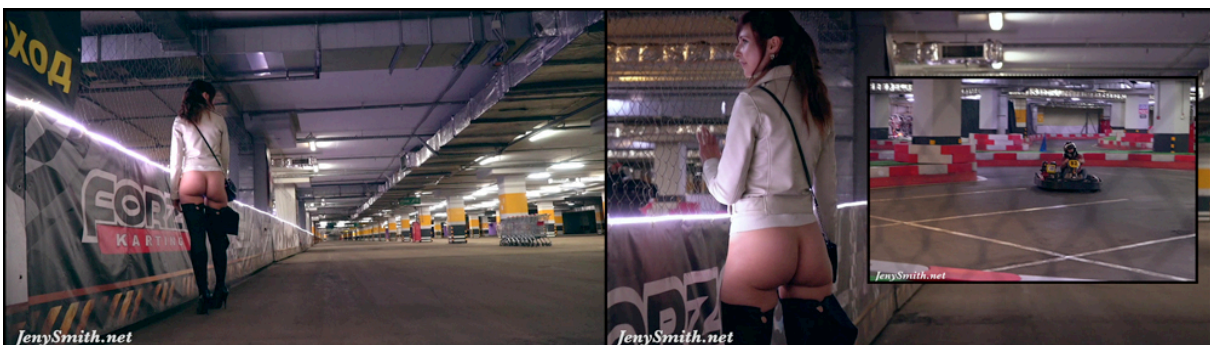

Jeny walks across the garage only this time she holds the miniskirt in one hand but the other is busy with her pussy. She clearly is in her teasing frame of mind.

This time Jeny's body is now displayed which is why this video is called 'what I love' because Jeny is doing exactly that! She is now walking along the garage floor and doesn't attempt to hide or cover her fabulous nudity even though she is aware of a couple going to their car.

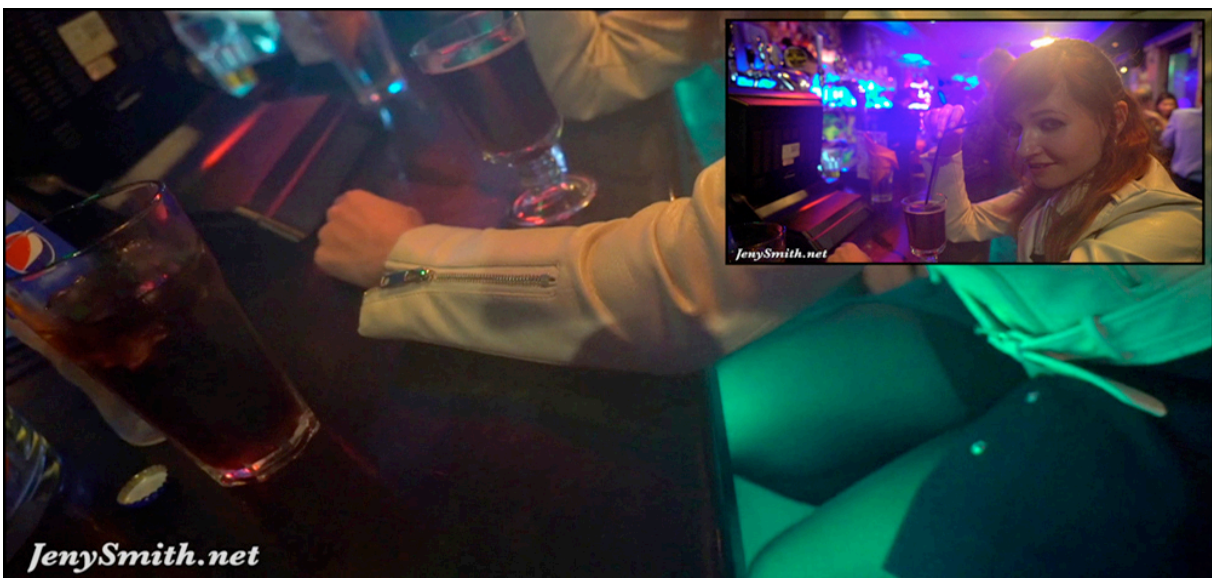

At the end of the garage there is a go cart track with a barrier protecting the spectators but it works in the opposite direction as the barrier is protection for the drivers who would surely crash on seeing Jeny's bare pussy !

Now Jeny is walking in the park and she has lost her jumper and she knows exactly what she wants to do as her jacket is unzipped fully exposing her fabulous breasts and with her skirt open up to her waist,her perfect pussy. And all the while the traffic passes (I'm constantly amazed that there aren't more cars involved in accidents as drivers brake on seeing Jeny's bare pussy!

Alex and Jeny stop for a drink with Jeny opting for what looks like a mulled wine. Even though it's a busy bar Jeny can't resist sitting at the bar with her skirt open and pussy on show.

Having finished their drinks, they make their way to the well lit street and it has stopped raining (I forgot to say that even though it was raining while she walked in the park)

Jeny is now in her element, as she walks down the middle of the road, her jacket unzipped, her beautiful breasts now free from any covering, Jeny is feeling the same that she wants her bottom to feel that breeze and in an instant her skirt is removed!

Now Jeny is truly living up to her title which is the Queen of tease and also she shows why she named this video 'what I love "

For the rest of the video, Jeny is filmed from every angle as she continues to stroll down the road. Her nipples erect, not caused by the coolness of the breeze but because of the excitement of being almost naked in the centre of town!

So enjoy the sight of Jeny doing what she does best!
