

Review for video “Her first try”

This video has a running time of 11:08 minutes and this is one of the very first opening shots...

...showing gorgeous Jeny sat on some steps with another pretty blonde woman. They both do not seem unduly bothered about the “upskirt” and “between legs” shots they are providing for the cameraman. We know of course, Jeny thrives on such action, but what about the other woman? This is going to be an interesting video.

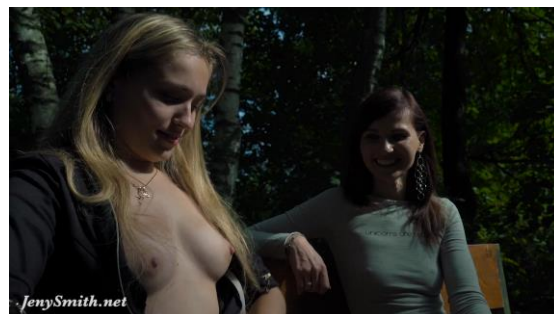

In the next few minutes we are told that the other woman is called Viki (although she is also referred to elsewhere as both Vika and Viky). She has seen some of Jeny's erotic videos and is herself a budding exhibitionist. She has contacted Jeny and Jeny has arranged to meet with her to give some teasing and flashing lessons. Yes, this is going to be a very interesting video. Two pretty ladies flashing!

Jeny asks Viki if she is wearing panties. She is. Jeny tells her to take them off. She does.

At that point, I noticed first that Viki's panties were black but quite skimpy, then that her black high heels are open toed and labelled Gucci. She is wearing a black dress that has a zip all the way up the front. Jeny is wearing a stretchy grey mini-skirt and a tight grey top that clings to her curves. The bumps caused by her nipples are obvious. She wears wedge sandals on her feet.

Viki is also wearing a bra and it seems that without being told, she decides to take it off. She does so, smiling, whilst still sat down and keeping her dress on by undoing the bra both at the back and then the straps at the front. Jeny is impressed how she manages it. We now get the first look at Viki's lovely bare breasts and slightly puffy, pink nipples.

We next see some shots of the two lovely women walking away from the camera, on a path alongside a tree lined road. It is noticeable that Viki's hair is long, reaching all the way down to her waist.

Next, we see some shots of the two of them by a stone wall alongside a wide river waving at a large pleasure boat that is gently cruising along. They seem to be really enjoying themselves.

The scenes then switch to the two of them sat on the stone steps that featured at the start of the video. The sub-titles tell us that Jeny asks how Viki is feeling now. She is excited. Jeny points to three men (which we don't get to see) who are apparently stood in front of them. She says that if they were to turn around now "they would see everything".

Jeny draws one of her legs back and tells Viki to adopt the same pose...

...and then to open her legs more ...

...which she also does. She seems to be such a willing pupil, keen to learn from the Queen of Tease. Jeny explains that when using that sort of pose you can open your legs “accidentally”. As she is wearing such a tight skirt she feels a sense of freedom when she is able to pull the skirt up and open her legs.

Viki mentions her husband (it seems he has accompanied Alex on the adventure). She says she was anxious at first (understandably) but was more comfortable now but feels her husband might be shy about things. “No way, no” says Jeny “I’m sure he is super excited now”. Of course he is, I thought to myself. Who wouldn’t be when seeing your wife flashing as Viki is? With the added bonus of being so close to Jeny doing the same and providing advice and encouragement.

There are then some lovely views of them, both from the back and then the front, of the two women posing on a bridge in some woods with skirt/dress hitched up. They flash their butts and pussies and both their lovely legs are emphasized. For me, Jeny’s butt wins it!

Jeny decides her protégé is now ready to be taken to the next level. They go for a walk on a path through the woods. She tells Viki to open her dress which exposes her lovely breasts, tummy, pussy and legs. Jeny points out they can see other people on an adjoining path.

Viki is having so much fun so of course, Jeny decides to join her by hitching up her skirt and pulling her top up. Her lovely breasts, pussy and legs are also now on show.

They walk along further but seeing another person walking towards them they decide to cover up. However, he must have seen them flashing because as he passes them he tells them “Go girls, go!”

Jeny takes up the challenge and as he leaves them she asks him “Do you want to see more?”. What man in his right mind would turn down an offer like that?

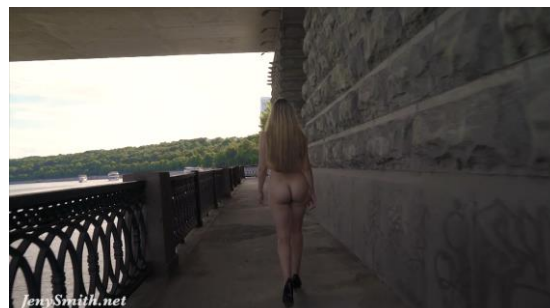

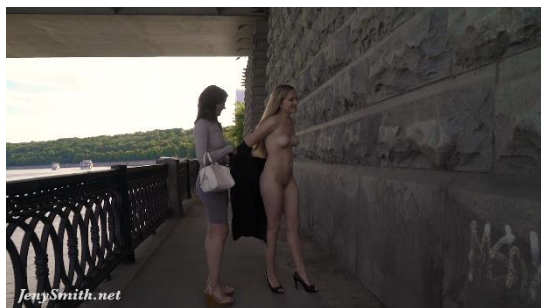

Jeny asks Viki if she is ready to flash this stranger. She says she is also up for the challenge.

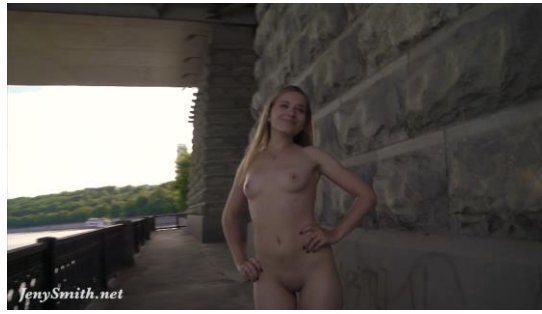

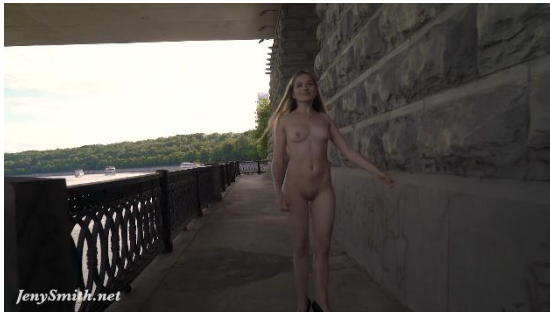

More or less straight away, Jeny flashes her pussy and breasts. Viki is more restrained, initially only opening the zip on her dress so that her breasts and tummy are exposed. With a little encouragement from Jeny the zip comes all the way down, so both girls are flashing the stranger. "For long memories" says Jeny. "I can't believe it's happening" says the stranger. Well it did and this video proves it.

Afterwards Jeny tells Viki that most men are positive about such an experience. She asks Viki how she was feeling, if her adrenaline was burning (and good old Jeny, straight to the point) was she wet? I'll leave you to view the video and read the sub-titles to get answers to these questions.

So, then it was time for Viki's final test. Would she be up for it? The following photos show Jeny took Viki to a special test area. First she asked Viki to walk with her dress wide open at the front...

...but then to take the dress off completely to strut up and down and finally pose.

With a final pose, one hand on the railings, legs slightly open, flicking her hair, staring down at the camera that is looking up at her, with the dress open. It was very daring as there was plenty of activity taking place on the river and the footpath they were on was well used.

So do you think she passed?

Jeny was very gracious in taking the time to show another woman the tricks of her profession and allowing that woman to star on Jeny's site. Jeny is of course confident in knowing that no other woman could ever upstage her beauty and personality, in my opinion.

Members of Jeny's site know that there are earlier videos of Jeny working with another woman – Vienna Love. Look on Jeny Smith Treasure Map for further details of those videos <https://jeny-smith-treasure-map.club/index.php/treasure-hunt/tag-search/vienna> .

Viki later assisted Jeny in one of her psychology series of videos, published on 18 March 2020. There Jeny had to cut short the video as Viki wasn't following a planned script. See <https://jenysmith.net/scene/7800924/face-to-face-session-prt-3>

Viki has carried on with her own flashing exploits and Jeny has also kindly published them on her site. They are interesting as Viki has gained so much more confidence and we see her masturbating on screen now! One was published on 16 September 2023 and the other on 20 February 2024. You can find them with the following links:

The members of Jeny's site think that this video is one of her most popular, by giving it (as at the date of this review) 347 thumbs up and 0 (zero) thumbs down. Very, very impressive! As is this video.
