

Review for “White in Shop”

This is actually episode 7 of the salesgirl series but there are no links directly to it.

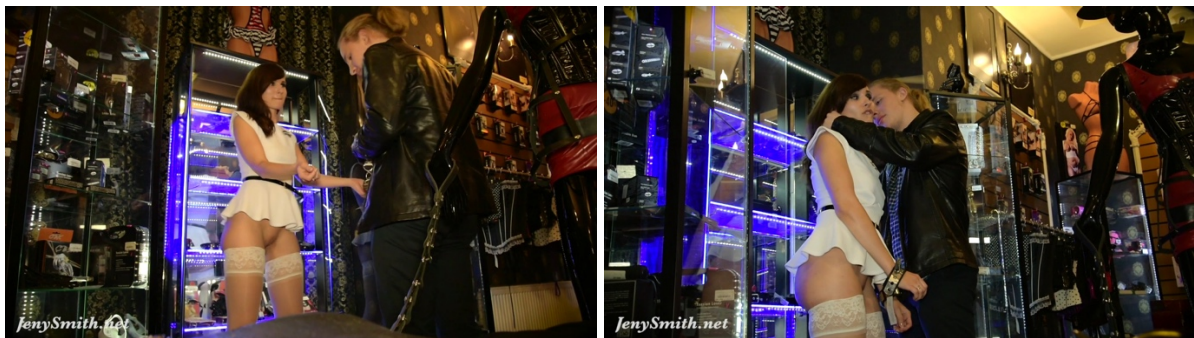

The video begins in the same sex shop as before but Jeny is dressed conservatively in a white tunic style top with a short black skirt and a thin black belt, white lace topped stockings and black stilettos. She is at the start of her shift and is already bored! She needs interaction with customers and bingo! there's the door bell announcing the arrival of her first customer.

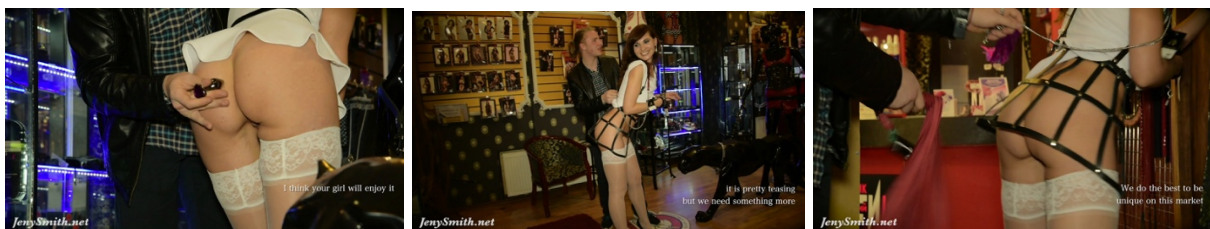

A broad smile lights up her face as she asks if she can be of assistance. Straight away the guy says that he needs to 'immobilise a girl that she could not resist' if ever there was a girl to answer such a question it was our Jeny who simply asks him if he knows what he needs. No he doesn't, so being a good salesgirl she leads him to a cabinet but she needs the keys to open it. She comes back "I think to make choice easier, I can make something for you" and in an instant she pulls her skirt down and steps out of it, revealing her gorgeous bare bottom.

Jeny bends over so that her pussy is on show for him and we watch as he leans forward to see more! She says that she will free his imagination and when he picks a pair of handcuffs Jeny says 'you can try it on me to see what it would look on your girl! ' Jeny's very patient as she waits for him to put the handcuffs on her hands! He clearly hasn't tried this before and Jeny encourages him to take his time. He then choses a thin red collar for her neck and again he struggles to do it up, Jeny's skill as a salesgirl come to the fore as she tries to inject some humour in to his ineptitude (sorry to be harsh but I've been tied up in the past and I don't believe I've been bound so slowly!) Clearly, Jeny has the patience of a saint! He then picks out a dog lead that he attaches to her collar the wrong way round! He has put the handgrip through the collar and holds the catch in his hand. I know you will think I'm being pedantic but if I had an opportunity to tie Jeny up I know I'd make a better fist of it!)

The one reason for staying with the video is the gorgeous Jeny who giggles her way through it and displays her phenomenal figure and she is shaven fully which is a vote winner for me! I adore seeing her smooth hairless pussy lips and from any angle!

Meanwhile the customer has chosen a large bejeweled butt plug and is rubbing it up and down Jeny's fabulous ass. Then he decides that she should try on the wire skirt that is on the mannequin. Cue more fumbling with the skirt by the rank amateur (I could swear that Jeny had a look of a patient mother with her very trying son!

Eventually he finally gets the skirt onto Jeny's fabulous body and the highlight of the episode is Jeny pulling up her top so that her beautiful bottom and perfect pussy are completely on show!

I'm sorry for all my negative comments but they are aimed at the young guy who is clearly out of his depth and never at Jeny who tries her hardest!
