It is hard to find this video in Jeny's archive! It is a massage video but if you put in 'massage' on the tag wouldn't take you to this fabulous video! This shows the importance of the "Jeny Smith Treasure Map" and the extensible tag system here.

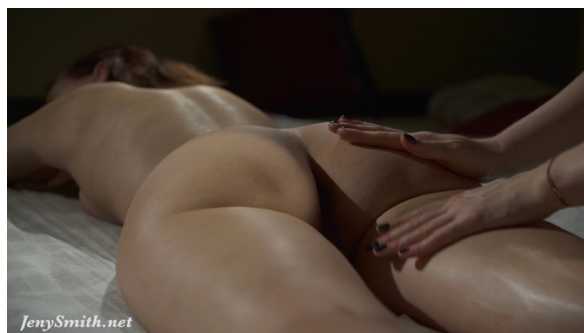

We begin this video not by describing what Jeny is wearing and that is because she is naked! Laying face down, the first we see of Jeny is as the masseuse gently works on her feet. The camera works its way up Jeny's fabulous body and gives us an all too brief look at her gorgeous bare bottom. The massage continues.

The masseuse gradually works her way up Jeny's legs where she reaches her beautiful bottom and using plenty of massage oil the masseuse spends quite some time on Jeny's right cheek (well, wouldn't you if you had the chance!) then on to her left cheek before kneading both, whilst the camera moves further up to Jeny's face capturing a relaxed smile.

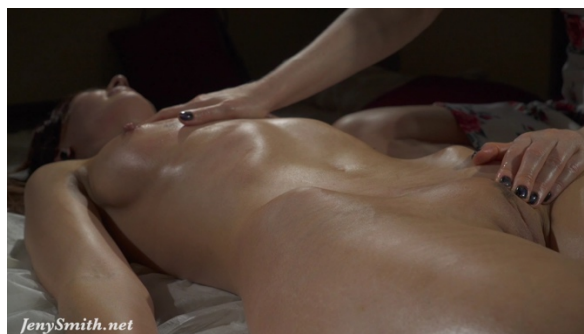

Why this differs from the other massage videos on Jeny's site is the lightness of touch with the masseuse almost sensing each and every touch connecting the 2 women. I'm not quite sure who's getting the most pleasure!

And with one last caress of Jeny's beautiful butt, the masseuse gets her to turn over. The camera works its way down from Jeny's fabulous breasts to her mons venus (look it up in a dictionary!!) covered by a small landing strip and where we find the masseuse's hands have beaten us there! Jeny's smooth pussy lips look fabulous with a coating of massage oil!

We then follow the masseuse's hands as they move up Jeny's naked body to spend time on Jeny's beautiful breasts, kneading them one at a time. The sensual nature of the feel of another woman's hands clearly evident in the tightness of Jeny's nipples..

.....this leads us to the most erotic of massages with the masseuse concentrating on Jeny's perfect pussy, firstly gently squeezing her smooth hairless lips together before spreading those same lips apart and stroking her pussy and clitoris. We are witness to one of the most beautiful, sensual and erotic moments and judging by the sight of Jeny's breathing at the end, she enjoyed it as much as this reviewer did!!!

So while I go and take a cold shower, I suggest if you are not already a member, you join us at jenysmith.net
