Running time 14:16 minutes.

The early shot is of Jeny’s beautiful smiling face. Her dark auburn hair is worn up with loose strands on either side of her face, framing it. She has a pretty white lace choker around her throat and her smart coat is white with a large collar. She is standing in front of an impressive, pinkish coloured old building with white columns and window frames.

We first see Jeny walking alone along a tree lined driveway in front of the building. The next shots are first from behind and then from the front, as Jeny walks alongside a tall younger man talking with him. We can see now that Jeny’s coat is short and she is carrying a white handbag. Also, her legs are sheaved in a white material and she is wearing black thigh-high heeled boots.

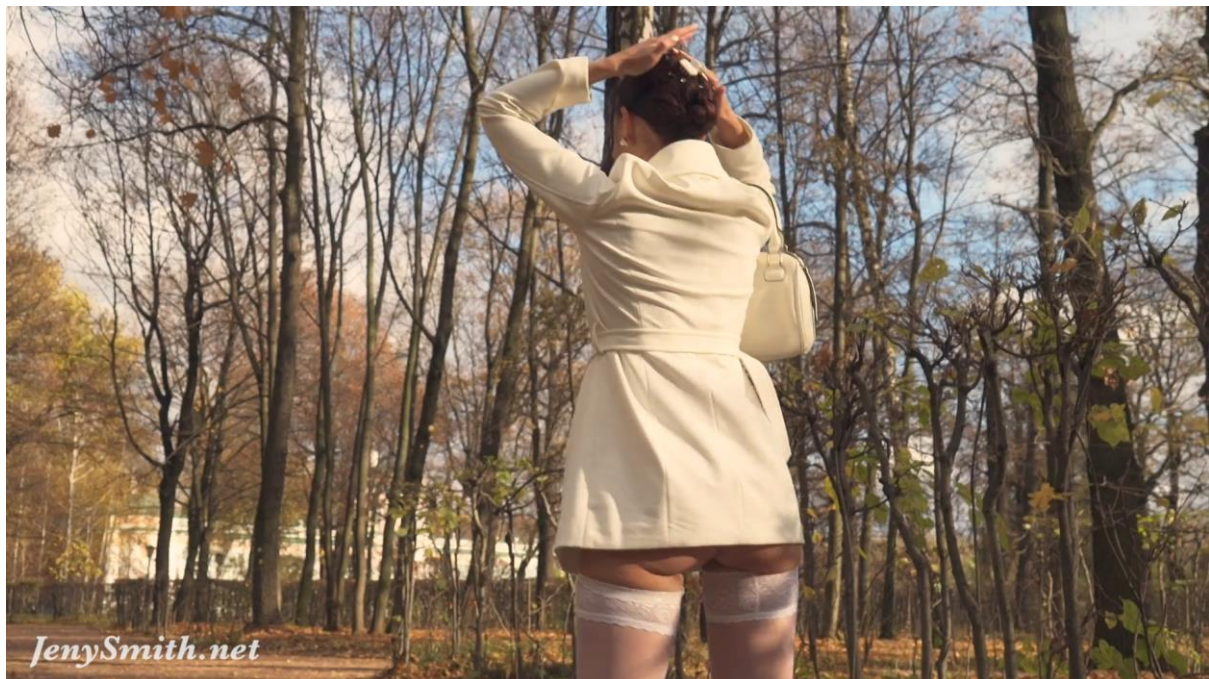

The next shot is of a man (whom we soon learn is the man walking with Jeny). His face is blurred. He is talking in Russian and the sub-titles translate for us. He explains the first woman he fell in love with

was his school teacher. He liked the way she looked, dressed and behaved. He also like any chance he had to get close to her at the front of her class as he also liked the smell of her perfume. He had a huge crush on his teacher!

We see some more shots of Jeny walking with the young man. We also see her in front of and looking back at him. The hem of her coat has risen and we can now see the tops of her white stockings. The man must also be able to see them.

Naughty Jeny then pretends to adjust her hair and raises her arms to do so. The hem of her coat rises even further showing her butt cheeks! What a gorgeous sight.

The picture switches again to the blurred image of the man talking and we see he would look for any chance to stay behind after lessons to be with the teacher.

Further scenes follow of Jeny and the man walking and talking. The sub-titles mention he first saw something on YouTube which led him to look further on the internet. The blurred images of him talking basically tell us that he was looking for his teacher or someone very much like her and at the time he did not have a girlfriend. He then mentions he found an “interesting video” of a girl walking in a city. It was an erotic video! After much research, her found the girl was a model.... named Jeny Smith (by then it was not a surprise to me and I guess not to anyone reading this)!

He then wrote to Jeny. Jeny of course, arranged to meet up with him. We later learn that the man was just a boy aged 14 years old, when Jeny was his teacher.

The outdoor sessions of them walking then start to bristle with sexual chemistry as they continue to talk about his feelings for Jeny both as his former teacher and of his feelings for her now being with her. (Members of Jeny’s erotic website will know well that Jeny gets particularly excited when being naughty in the presence of younger men).

Jeny walks slightly in front of the man now, glancing back at him and making eyes at him. She raises her arms causing her coat hem to rise, exposing her stocking tops and butt cheeks. She opens her coat. What a glorious sight. She is wearing a long string of pearls around her neck which criss cross at the front separating her breasts. They emphasise her nakedness. The white of her coat and the pearls show how pale her smooth skin is. Her nipples are hard.

Next we see Jeny stood directly in front of the man looking up at him. Her coat is buttoned up now. She teases and flirts with the man as she leans in close adjusting the collar of the coat. The man is sure to be able to smell whatever perfume Jeny was wearing that day. I wonder what thoughts that evoked for him.

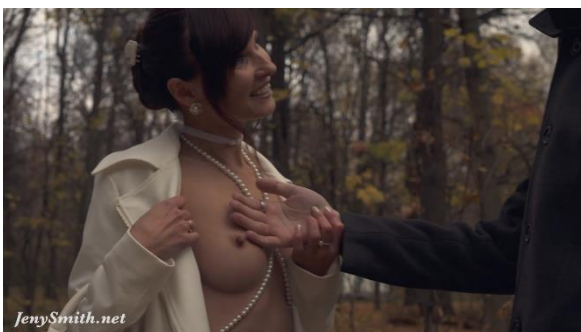

We then see Jeny in front of the man baring her breasts again. She is smiling and happy and enjoying herself. I'm pretty confident the man felt much the same way!

And then Jeny opens her coat completely offering her full nakedness for him to gaze at.

So, Jeny has given her ex-pupil a day he will never forget already. But we will soon see his thrills are far from over. Jeny stands close to the man. She takes his hand and guides it as it touches all of her body from her breasts down to her pussy and back up again.

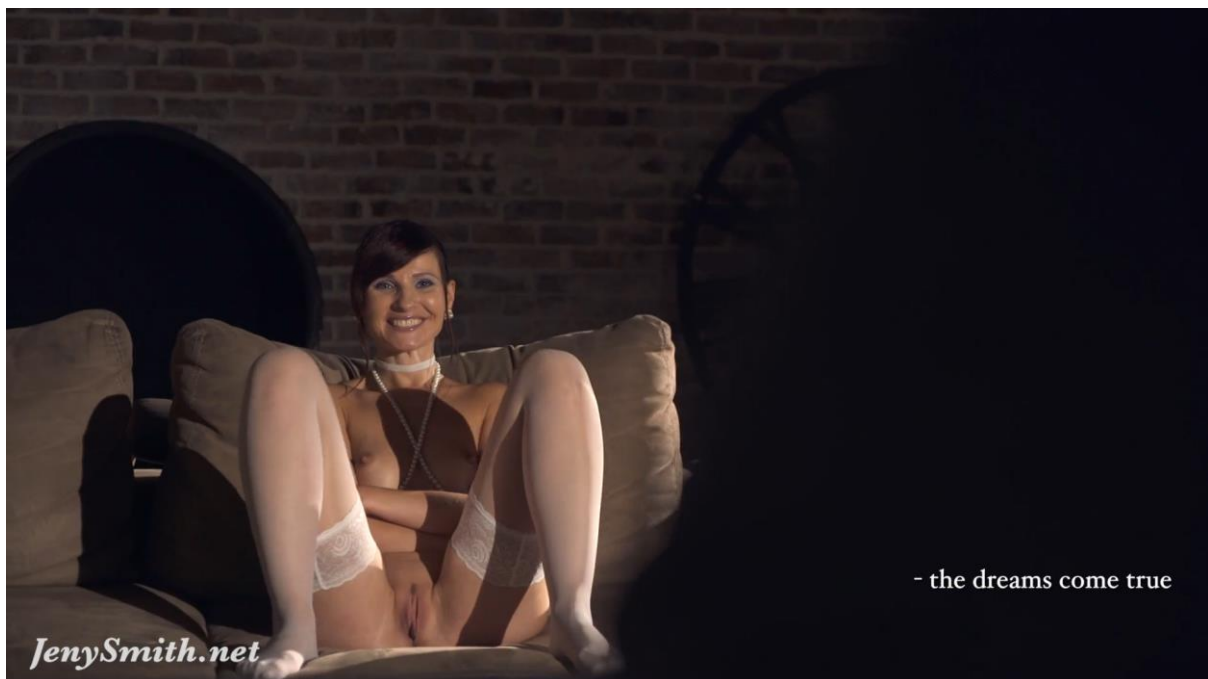

She asks him if he is embarrassed. He replies that of course he is. But, I bet he's also feeling very excited and also quite turned on by being so close to and able to caress the woman (teacher) of his dreams.

We see Jeny walking away. She seems to be alone. Has the video finished because there is still nearly another three minutes to go?

Jeny is now sat on a soft cushioned couch in front of the man. Her legs are drawn up. She is pantieless so her pussy is on show. She tells her ex-pupil to "just enjoy the moment". What a moment.

She asks him if he ever dreamed about this situation in his school days because his dreams have come true. Her knees are parted to give him a wonderful view of her open legs and her pussy.

Jeny thoughtfully ends by telling him that this moment is over now and forever. But she wants him to promise not to stop looking for his own one true love. That person may end up looking like her so that he has his own "Jeny Smith".

Boy what a lucky man he has been today. He was brave enough to write to Jeny in the first place and as a result she treated him to an experience he's likely never to forget. How lucky will he be if he finds anyone that not only looks like our beautiful Jeny Smith but, as importantly, has the same naughty but thoughtful and caring nature.

This was a particularly pleasant video, telling a nice story in an erotic way with nice background music in a lovely setting. It was helped by Jeny's stunning choice of outfit. Anyone who likes her appearance in this video might want to check out these other videos where she wore a virtually identical outfit:
