This is the first of 3 reviews

This will be the first of 3 reviews of Jeny as a music teacher who is teaching guys to play the piano. Incidentally, Jeny is an accomplished pianist and is qualified to teach it (is there no end to this lady's talents) The 3 videos are linked in some way but I will wait until I have reviewed each of them.

In the first video of our trio Jeny explains to us that she is trying to do an experimental video where she hopes to go crazy and awaits her 'victim'. She is wearing a white t-shirt and a black miniskirt under her black waistcoat and to finish off her outfit she wears knee length black suede boots, needless to say she looks fabulous!

It's the guy's first lesson with Jeny although he can play and in a speeded up section at the start, she introduces herself, makes him comfortable at the piano and gets him to do some exercises. All the time she is standing either behind or to one side of him.

She is clearly in a mischievous mood because as the student is diligently plays the piano, Jeny is also playing, this time with her skirt! She walks behind him pulling her skirt up revealing her gorgeous bare bottom and then turning about to show us her perfectly hairless pussy. All the while Jeny struts her stuff behind him, raising her skirt time and time again.

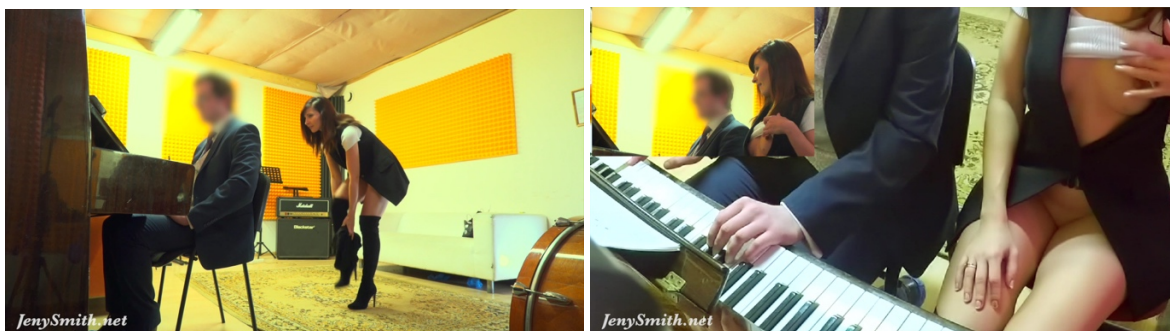

Occasionally Jeny leans forward to explain the keys he should play and risks exposure (which secretly we know she desires!)

Jeny gets more and more daring, whilst her pupil diligently plays the piano, seemingly unaware of how excited Jeny is becoming!

Jeny's skirt is up around her waist now as she films herself and at one stage she pulls up her t-shirt to reveal her fabulous breasts, almost forgets where she is, suddenly remembers and hides her camera!

As her pupil taps out single notes, Jeny shows off her ability to multi task as her hips sway and she lifts up her skirt while teaching him various techniques! Clearly now reluctant to cover her breasts, she sits beside him with only her waistcoat coming between the guy and her nakedness! Then standing behind him she removes her skirt !! Now she wears only a belt and with just one button done up she again joins her pupil on the piano stool, this time Jeny can't resist playing with her nipples,her beautiful bare pussy equally exposed.

Her pupil appears not to notice any of Jeny's stroking and, suddenly the lesson is over! As Jeny says her goodbyes, stood with waistcoat still open enough to show us her perfect pussy,the student misses all of this vision of loveliness and departs, leaving Jeny somewhat unfulfilled!! (more of him in review 3!)
