

Review for photoshoot "Summer Walk"

Being the witness of a photo shoot and following Alex during the video, what better gift that Jeny offers us on this pleasant sunny day. Openwork mini skirt and no panties, little blouse with buttons and orange pumps that I love, everything is there for a pleasant moment. If, like me, you are happy to see Jeny outdoors, take a good look at how she offers herself to the camera, how she catches the photographer's eye, how she excites the viewer and how she takes pleasure in doing this. But for everything to work, you have to be called Jeny and have a beguiling smile, hypnotizing eyes, dream legs, a plump ass, magnificent breasts, a dream body in the end. Photos or videos, don't miss a thing.
