

Review for video “Higher And Higher”

Tags: [frog](#), [party](#); Published: [20 February 2019](#)

Running time: 17min 22secs

This begins with Jeny outside of her favourite club on Pleasure Island and she is dressed in a tight white t-shirt that shows off her fabulous nipples perfectly and a sheer black long skirt and underneath, what at first glance appears to be black shorts (much more of them later!).

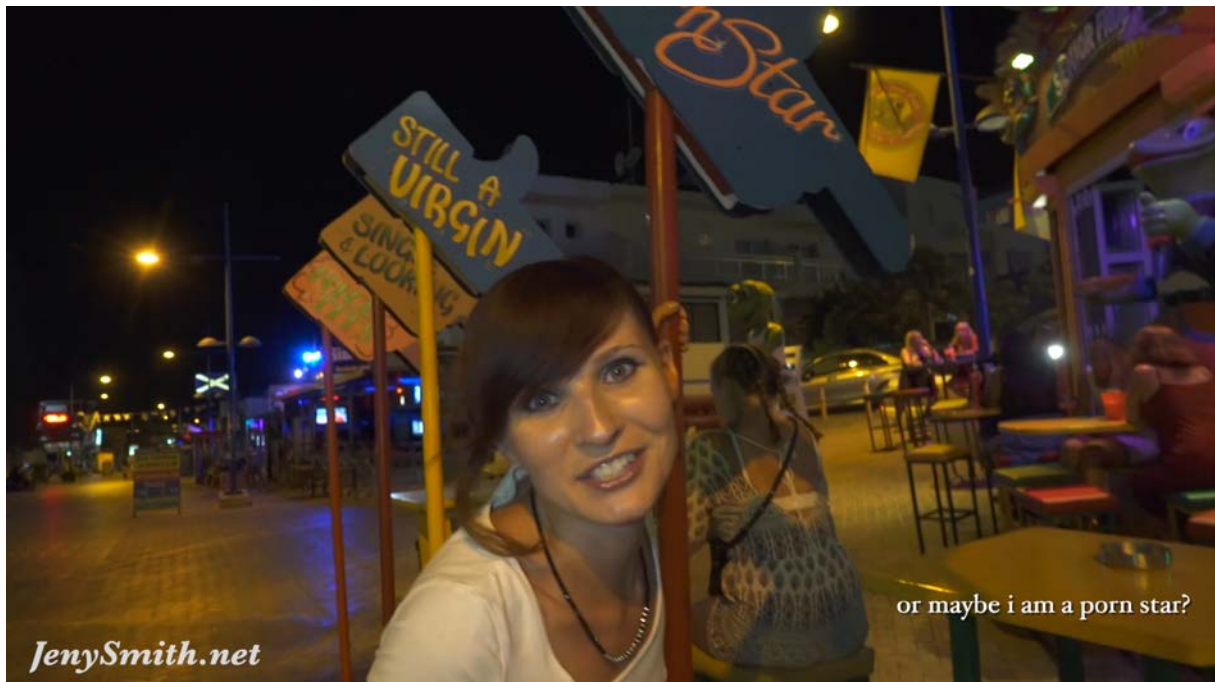

Jeny tells us that this club will turn your evening into a party for you. It starts outside with each set of barstools having a large hand painted, with a not very subtle sign on, to describe the qualities of who may be seated there. Jeny takes us along the signs and suggests reasons why each of them could be appropriate for her.

But before that, she takes us on a brief tour of the inside of the club with its theme being frogs 🐸 after all it is called Senior Frog's and everywhere you look there are frogs!

Back outside Jeny points out the signs, the first of which is 'sexy ass' which seems to be highly appropriate. But what's the next sign saying? 'professional stripper' maybe! Some are more appropriate than others, for example kiss me, I'm single is next to 'porn star'.

I couldn't possibly say!.

Jeny has a dance with Minnie Mouse (Walt Disney would be turning in his grave!) before joining in the dancing inside.

This is when we get to see the skirt in all its glory and the title of the video comes sharply in to focus! No its not a pair of shorts beneath her skirt, it's a very tiny skirt that works its way up as Jeny

continues to dance and even in the darkness of the club her gorgeous bare bottom is there for all to see.

Sensing that anything goes in Senior Frog's and given this is Jeny's favourite night spot, she climbs up to where the DJ is and without further ado, up comes Jeny's t-shirt and those fabulous nipples and beautiful breasts are now visible to all.

Jeny is not finished by a long shot and now out of the club, she is in her domain and with an audience (most of the club's clientele are now watching our divà!).

So how will Jeny top her evening? (her evening? It's now 4am!) As if on cue up comes a biker on his motorbike. He is wearing a t-shirt with the following message on it saying 'if you can read this then the bitch fell off!' Jeny takes advantage of the loss of the 'bitch' and climbs aboard..

...and gradually strips until she is naked and is the centre of attention and will be shown far and wide judging by the number of phone cameras pointed at her as she strolls down the strip still naked.

I can only imagine how excited Jeny must have been having found her spiritual home a place where she was safe to live the life of a true exhibitionist.

So with that Image in my mind and hopefully yours too
