

An imagination inspired by video “Just stockings line”

I had an appointment with my client to finalize the photos for his press ad. This time he asks me to pick him up in front of his new office in the business district. I don't know this area of the city very well with these alleys, these offices, these restaurants and these terraces. The sun has returned and the girls are again wearing summer outfits and short skirts. And there's a lot of pretty girls here, I don't know where to look. Here's one that comes out of nowhere. She walks right in front of me. She is a real goddess. She is tall, thin, her long hair tied in a ponytail punctuates her walk, wandering from left to right. She is dressed in a black leather jacket and a gray mini skirt that deliciously molds her plump buttocks. Her high-heeled shoes echo on the asphalt and click in my ears. She carries a bag in one hand and a file in the other hand. She cannot therefore pull up her skirt which reveals more and more the top of her black stockings. I am hypnotized. We are going in the same direction for now but I will have to turn left soon so I make the most of the young woman by getting dangerously close.

Very close now, her scent drives me crazy. Miracle, she turns left. I am reassured because it is not me who follows her, it is she who precedes me. But already I arrive in front of my client's building and I have to let go of this beauty queen.

As I call my client to announce my arrival, he asks me to wait for him for a few minutes. I quickly put away my smartphone and look around for my delicious stranger. And when I'm resigned, I see her on the right, sitting on a bench, her phone in her hand.

I have a surreal vision. She crosses her legs high and I see very clearly the white skin above her dark stockings. As I get closer with the desire to approach her, she gets up and goes to climb the steps of a metal staircase. The higher it goes, the more dizzying the view becomes. I see very clearly the outline of this beautiful ass. Arrival on the passageway, leaning on the railing she looks at me and smiles. She wears no panties and lets me enjoy the exceptional view of her shaved pussy. And just as I was about to go upstairs to join her, I hear someone calling my name. It is not this dazzling apparition but just my client that I reluctantly join. When I left, I even thought I saw a little hello from the sexy young woman for me.
