Running time: 28 mins 19 sec

Let's dream for a moment that Alex's camera is our eyes. So we could follow Jeny throughout the day. Well, the dream becomes reality for almost half an hour.

Who owns those orange pumps, those shapely legs, that cream-coloured openwork skirt, and who is that young woman with the long hair? No doubt about it, it's Jeny. Her low-cut top seems to be made of the same material as her short skirt. Yes, it's the elegant, sexy Jeny we like to see.

But what's Jeny telling us? That she's just undone another button on her top to show us her pretty cleavage.

She's walking down a shady alley and comes across walkers. Whether on foot or on a bike, none of them can take their eyes off the beautiful Jeny. And she finds it's so funny that she's going to undo another button on her top.

For a moment, Jeny dared to lift her skirt and reveal her pussy, but someone was coming in the distance, so she quickly turned around and headed for the main path.

But on the main path there are lots of cyclists so she hides behind a tree to pull one breast out her bra and stroke her nipple. Jeny will tell us later that a guy approached her but when he saw Alex he quickly left. What a pity!

Jeny decided to take a break. Sitting on a bench, she checks her phone, oblivious to the many people walking past in front of her. Did they notice that she wasn't wearing any panties?

Now she's getting even naughtier.

There seemed to be a few too many people around. So Jeny looks for a quieter spot in the undergrowth. She begins a wonderful striptease. Excited by the situation, we see her fingers explore her crotch and then play with her nipples, already swollen with pleasure.

But that isn't enough. She goes down to join the main path, completely naked, and plays hide-and-seek with the walkers who don't even imagine that a naked woman is nearby. But it's time to get dressed.

Probably after dinner at the hostel on the other side of the water, night fell and Jeny returned to her bench with the idea of showing off and she was caught.

Time to go home. Poka Poka as Jeny says before blowing us a kiss.
