

Review for video "Wash Jeny"

Running time: 11 mins 42 sec

You could be forgiven for thinking that this was an episode of 'Top Gear' (for those that don't know what top gear, it's a laddish tv programme on British tv) and the first minutes are a slavish look at a Porsche car (no doubt there are loads of you that can tell me more about it but we're here for another reason!)

And the reason is.....,Jeny!! She appears with 3 other women prior to the shoot beginning. The video is being filmed in a multi storey car park and there are a few people watching from a distance. This is never going to be a reason for Jeny to stop posing and, sure enough, as the director shouts out 'action!' Jeny appears wearing a bright red gypsy style blouse with a very short black skirt with black braces and very high heeled black stilettos

The first thing we notice is that Jeny has forgotten to wear panties as her bare cheeks can be glimpsed as she bends over the bonnet. Jeny struts her stuff as she walks around the vehicle, at one time she has to pull her skirt up so she can place one of her fantastic shoes on the front tyre.

Running her fingers along the length of the body work, Jeny stops briefly to bend over allowing us another look up her skirt and the briefest of glimpses of smooth bare pussy.

The clipboard she has been ticking away on clearly states that the car needs a clean and Jeny introduces her cleaning team, 3 girls wearing incredibly tight denim shorts and corset style bra tops with high heels and they start cleaning, however their boss, Jeny, is not satisfied by the car wash and after posing for the camera which, of course, involves showing her pussy, she calls back her cleaning team. They are not best pleased but get to work on the car

Those of you who like cut away jeans will love seeing Jeny's team's uniforms as they bend right across the vehicle to clean those hard to reach places! Meanwhile their mistress stands to one-side with clipboard in hand marking their efforts,

They stand back as Jeny sits on the bonnet checking for any missed areas, her skirt gives the game away by getting caught on the dust spots and riding up exposing her fabulous pussy with its minute landing strip and smooth hairless pussy lips.

Jeny calls the team back but this time the only thing getting wet is Jeny as she lays across the bonnet, the girls pouring water over Jeny's increasingly exposed body. It doesn't take them long to strip Jeny naked (whilst this is happening not more than 100 metres away there is a small group of young lads enjoying what must be the evening of their lives!)

Jeny is in her element now, she's naked but for some red rimmed glasses and high heeled stilettos. She caresses her magnificent body then bends over the bonnet her figure mirroring the curves of the car. There follows a sequence of poses in which we get to see every inch of Jeny's beautiful body.

Jeny ends the shoot by blowing kisses at her adoring audience.....us!!!!
Until we meet again Poka poka
