Who wouldn't want a tour guide like Jeny. In front of Cologne Cathedral and dressed in a sleeveless waistcoat with large pockets, short and zipped, she tells us about this magnificent and grandiose monument. She also says that she loves Germany, that she loves Cologne and she invites us to follow her through the city. There is no need to tell us twice.

Her waistcoat is so short that you can easily see the beginning of her buttocks. What a beautiful sight.

She now heads to the banks of the Rhine, takes selfies, eats an ice cream like any tourist, but above all she specifies that under this particular outfit she wears mini shorts that she will take off later. And following her up the stairs and to the bridge over the river is a pleasure.

Jeny decides to enjoy the sun by the water. She takes off her waistcoat and sits topless. She was quickly spotted and congratulated. And when two men approach on a scooter, they come to see her to take a selfie.

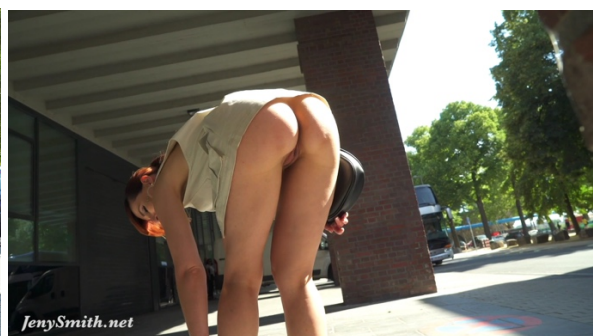

But it's time to get dressed again and find a quiet place to take off the mini shorts as promised.

This little rock will do the trick. And quickly the mini short is on her wrist like a bracelet.

And now the walk through Cologne will become more and more interesting. Jeny starts playing with her zipper near the bus station before adjusting her shoe.

Jeny takes a break and enjoys the view of the cathedral while we enjoy the view of her gorgeous ass.

This time many tourists follow or cross Jeny near the love padlocks on the Hohenzollern Bridge. She does not go unnoticed.

It's hot so Jeny takes a break in the shade and reveals her secrets to us.

Now here is Jeny in the district of the famous Früh am Dom brewery, a very touristy district.

Jeny decides to be more and more naughty and moves away from the city center. A nipple appears and then her waistcoat is quickly wide open.

Increasingly playful, Jeny comes to sit on the steps near the train station. A guy at his window has seen it all and she's going to put on an unforgettable show for him.

The day can't end without a final erotic pose in front of a graffiti-covered wall.

See you soon says Jeny. Let's be patient.
