

Review for “Face to Face session Prt2”

Tags: None; Published: March 01st, 2020

Running time: : 35 minutes 42 seconds

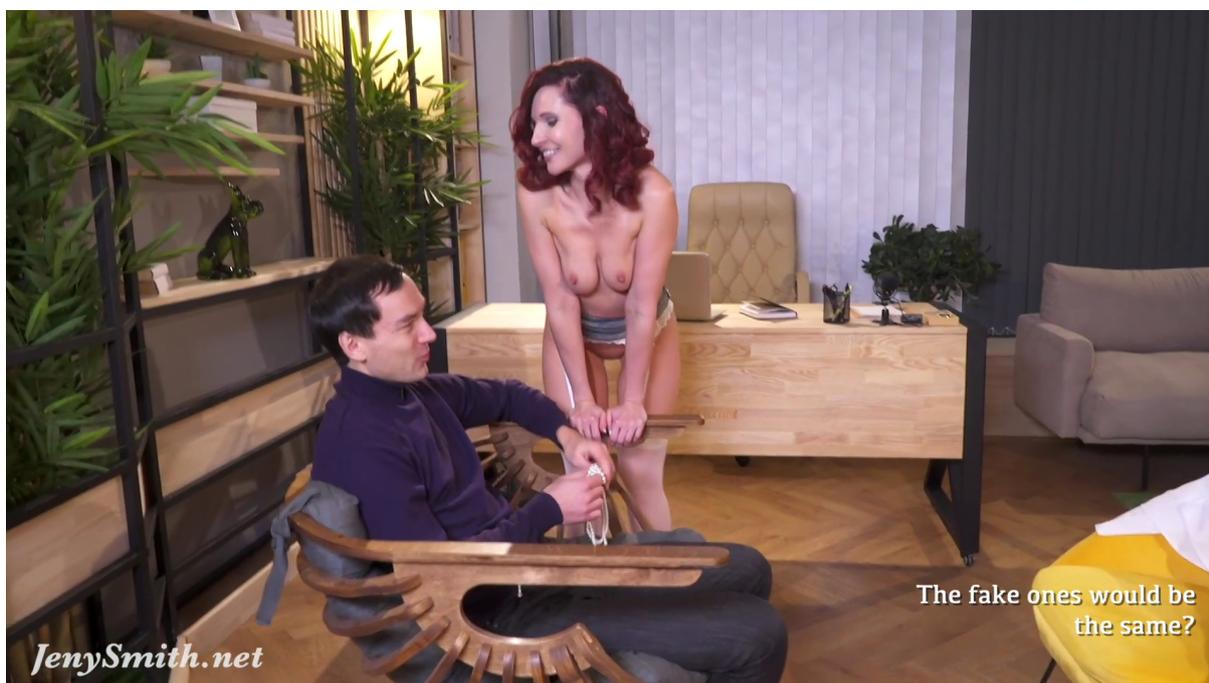

This follows the same format as session one with Jeny in the same outfit only this time the victim isn't blurred and is a very confident person who is up for a lively discussion with the psychologist!

Cue a cat and mouse game with the victim trying to get the upper hand. I'll leave it to you how things develop so you can concentrate on reading the subtitles.

Until we meet again
