Running time: **17 minutes 47 seconds**

Jeny often takes us with her to the shops for her clothes shopping and sometimes we follow her to the fitting rooms.

We find her in a fitting room. She is naked and places her camera.

She tries on a little silver top and can't help but open a bit of the cabin curtain.

Jeny bought this silver top. Do you remember this garment in one of these videos?

Jeny has just been hired as a GoGo dancer. She waits at the bar before going on stage.

Jeny is now trying on a very low-cut bodysuit. Of course she bought it and she already has an idea in mind.

Jeny organized a private aerobics class and a young man was invited to participate.

Jeny's suggestive poses will become more and more explicit.

We now see Jeny trying on a snap button leather shirt. And doesn't that remind you of anything?

Jeny a loué une voiture avec chauffeur. Strange things happen in the car and the driver will enjoy it beyond his expectations.

Alex grops Jeny's breasts in the car. Alex is no longer there and Jeny unbuttons her shirt for the driver.

Jeny found this gorgeous white button-front maxi dress and sees the possibilities in playing with the slit.

But that's another game that Jeny is going to be a part of.

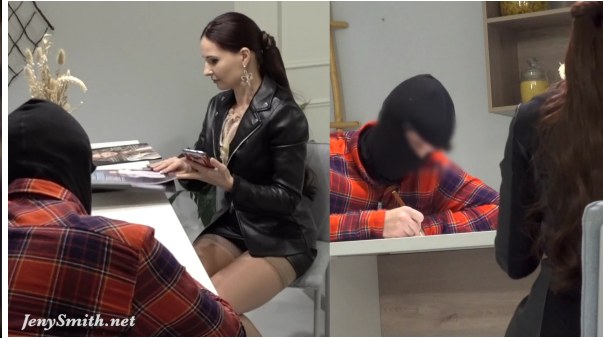

It was a dream, a fantasy and Jeny did it. There were 4 men around her.

Jeny continues to try on clothes and she really likes this leather jacket.

This jacket was used for two videos. The sexy businesswoman and the shrink who teases her patient.

Who hasn't dreamed of having a boss like Jeny?

The guy in the balaclava didn't appreciate the nudity. Pranks don't work every time.

Jeny finished her shopping. She goes down to her car. But what does she do?

She put on the white skirt she had just bought. Just to play before going home. Wonderful.
