

Review for photoshoot “A long walk photoset”

Tags: Black dress, A long walk; Published: July 05th, 2021

Jeny loves her new see-through dress. Of course she can't help but go for a walk like this. She didn't forget to put on her high heels but she decided to leave her underwear in her closet. With a smile on her face, she walks leisurely down the sidewalk, waving or smiling broadly at the lucky guys who see her. After a break on the steps of the urban park, here she goes again. If you follow her for a moment, you will notice that her dress is hiked up and that her magnificent buttocks are more and more visible for your greatest pleasure.
