

Well I'm drawn like a moth to a lamp with the 'explicit don't watch' tagline. This photoset is taken after the filming of a video with Jeny and victim. Having been so lucky, the guy on hearing that Jeny plans to do some photos and chances his arm by asking whether he can stay and watch!

We watch as Jeny goes through a series of poses in her satin dress and unlike the video she is naked under her dress which Alex captures on camera.

Suddenly Jeny is naked and clearly in the mood to pose in increasingly revealing ways. So far you can be forgiven for thinking that you've seen Jeny in more naughty ways

But after taking some magnificent photos of a relaxed and beautiful Jeny, she is joined by the victim who is allowed to stroke our goddess. We start to realise that there's real chemistry between them leading to the guy spreading Jeny's gorgeous butt cheeks apart and exposing her pussy

This is why you should always check out Jeny's pictures as you get the opportunity to stop the slide show at anytime to study her perfect frame at your leisure but you have the chance to see those same pictures in their original sizes, sometimes the screen is full of Jeny's pussy!!

Well I hope you will enjoy the photos.

Poka, Poka xxx
