“Your Chief” is a 39 minutes POV style video, shot in Covid times in Moscow winter (March 2021) in the studio. It was one of the videos of the “lockdown sessions”, so without victim. Alex’s camera is the eyes of an employee of the Big Boss Jeny. The Boss is wearing a short black skirt and – as usual – no panties. The boss gave the employee an interesting task: he has 4 wishes, that the boss will fulfil, but the boss should be humiliated with it. The first two wishes of the virtual employee, bringing him coffee and let the boss crawl like a dog, did not humiliate Jeny. The employee is just a few minutes before being fired. The third wish, Jeny should take off her bra, no problem for her to take it off without removing her transparent black top. And the last wish, Jeny should take off her skirt. She does, but it is boring for her.

Jeny is now posing with transparent top, high heels and stockings, but being bottomless. The employee has further wishes, Jeny is following all of them, but is never really satisfied. After removing her top, sitting on her desk, massaging her nipples, Jeny is on the one hand upset about her employee wishing so naughty things from his boss, but on the other hand she seems to get quite excited.

Ten minutes before the end of the video, she fires her employee, but – as a last punishment for him – starts masturbating, sitting behind the desk, so he can only see her face and chest! Before getting to the climax, Jeny Boss is presenting him her “good bye gift”: he is allowed to video the masturbation, and to bend over the desk to see some details.

At the end, Jeny boss said she had been too naive to follow all the orders of him, and she spanked herself for that. To end up with a cliffhanger: In the “grande finale”, Jeny is pranking a virtual IT technician giving him the order to repair something under the desk of the boss ... and you can now imagine what his eyes will see there ... A 39 minute strip-tease of Jeny with an additional masturbation and spanking. Any wishes not satisfied? Have fun with Boss Jeny!
