

## Review for video “A Not Planned Date”

Tags: **Date, Sunbathing**; Published: **May 25th, 2021**

Running time: **39 mins 51 sec**

The video begins with Jeny walking through the woods and enjoying the dappled sunlight playing across her body. She is dressed for the weather, in this case, in a tight white sleeveless vest with a pink wrap-around short skirt. Even at this early stage of the walk, we can see that she is not wearing underwear with those sensational nipples pressed against the thin material. And with only the top button done up on her skirt, it's easy to pull the hem across, and we can see the bare skin of her upper thigh, exquisite!

At one stage, we catch a glimpse of Jeny's secret and then get confirmation as she finds a park bench to sit on. The camera spins around to show us Alex's hand in which he holds his phone, and then he switches on the secret.

And the secret is that Jeny has a remote-controlled toy inserted in her perfect pussy, and Alex has control of it!! As soon as it's switched on, Jeny's reaction is one of sheer joy. As people pass by, Jeny has to maintain an air of normality. No mean feat, especially as she can't resist stroking her nipples!

Then, an elderly gentleman passes by and stops to tell Jeny how beautiful she is and should be photographed. Well, naturally, she hands him her phone (we get to see the pictures he took) and then he asks whether he can take some on his phone, 'of course' replies Jeny and she worries that the split in her skirt is revealing too much as all the time the toy was buzzing away inside her!

Jeny has to grip the edge of the bench as the toy works its magic. We notice a guy wearing a check shirt passing by 2, then 3 times before sitting next to Jeny. She giggles as he chats to her. He asks her if everything is OK, and he gets her some water as she approaches him. Now Jeny is laughing and grabs him, and at that moment, she climaxes! As she recovers from her orgasm, she tells him that something tickled her stomach!

The guy is clearly concerned about Jeny and insists on getting some water. At this stage, Alex assumes that Jeny is satisfied and ceases filming, only to find that she has gathered a mat from the car and is now leading her victim to a spot in the park where she intends to sunbathe.

Jeny finds the perfect spot to sunbathe and they sit down on the mat. Jeny then asks him to choose a bikini she should wear. Jeny has skillfully taken her toy out without her victim knowing He is putty in her hands now, and his shyness is very apparent.

Having chosen the bikini, he watches in astonishment as Jeny stands in full view of anyone and strips naked and when nude, gathers up her bikini bottoms and calmly pulls them up her gorgeous legs. Her victim utters the immortal line, 'You're not shy, are you!'

Jeny has only started her teasing! Her next instruction is for help tying her bikini top and then to help her apply sun lotion (an arduous task, but someone's got to do it!!) Jeny makes sure that he doesn't miss a spot and that he pays particular attention to her wonderful butt! Having done that, they sit down, she on the mat, he on the grass. This is when the true teasing begins.

Jeny asks him to sit in front of her so that she can see his face (but really so he can see how see-through her bikini is). As Alex is quick to point out that the camera doesn't show how sheer her bikini really is! Her victim tells Jeny that her nipple is on show for anyone to see, to which she replies, 'do you mind?' 'Nò' is his swift response

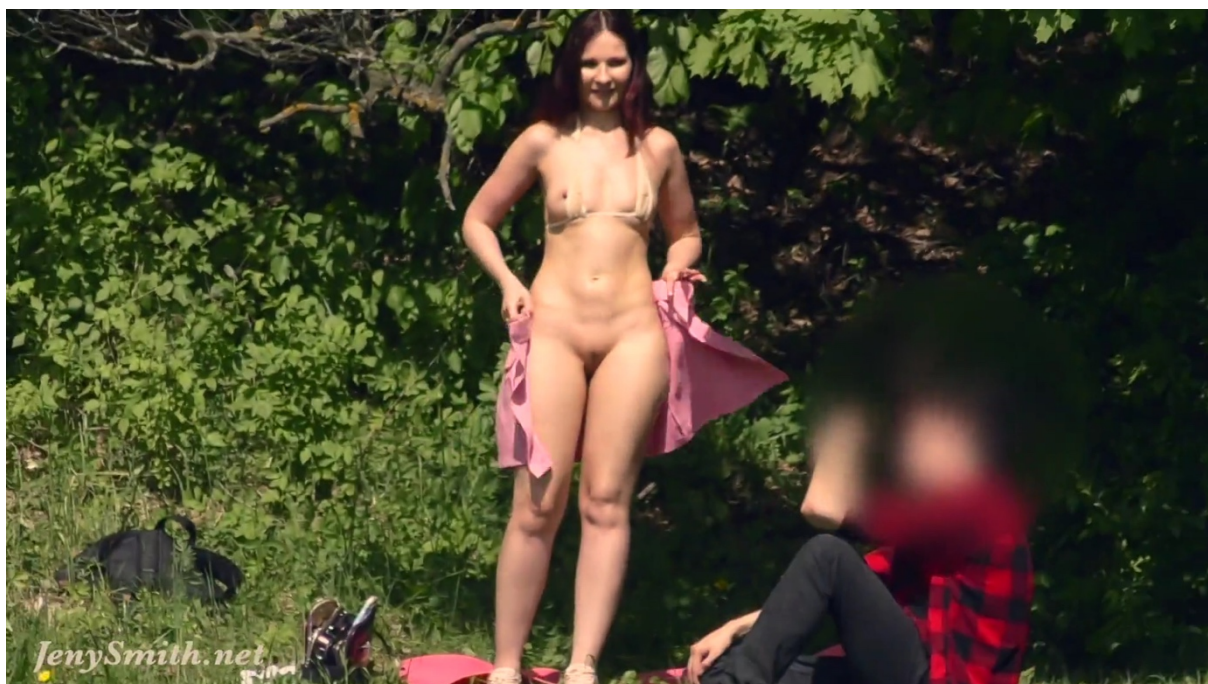

There follows a series of teases with Jeny narrowing the strips of material that cover her fabulous breasts and perfect pussy until she asks him if he would like to see her pussy. 'Of course' is his speedy reply. Jeny remains in teasing mood and, again narrows the bikini bottoms until she pulls the material aside and reveals the tiniest of landing strips above her hairless pussy lips. Whilst Jeny is warming to her task she notices that a lurcker has appeared on the scene and she is determined to pull him into her web!

Jeny then says to her first victim that she will now take her bikini bottoms off! The guy says that she won't dare to take them off. This is like a red rag to a bull for Jeny!

And off they come and Jeny sits so that both men can clearly see her pussy. This is our insight into what excites Jeny, that she loves to be the centre of attention and this works best for her when the victim is shy.

Eventually Jeny stands to get dressed and even then she takes her time allowing both men a final glimpse of her sensational body.

The video ends with the guy leaving Jeny to walk back to her car and she uses the time to flash her pussy and it's well worth watching to the end as Jeny describes how the day was for her!
