The video begins with a brief recap of why the video is silent, the original video was corrupted and so the video had to be reloaded and the sound was lost.

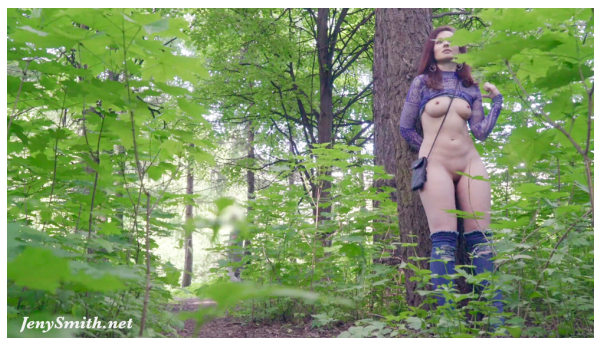

We are straight into the action with Jeny in a wooded park and she is wearing a black (waxed?) jacket and beneath which she wears a blue dress with a paisley and knee length denim boots. But wait a minute! there's something about Jeny's dress that you might not have noticed before. Now Alex does a close up of the garment we can see a nipple, yes, it's sheer and very short in length (it only just covers her bare ass, this being Jeny, there's no sight of any panties!).

Jeny is in a small clearing in the forest, about 20 metres from the main path which is busy with people. This doesn't stop Jeny removing the jacket and showing us just how sheer her dress really is!

With only the width of a tree trunk between Jeny and the main path she pulls her dress right up, displaying her sensational body and even when a man enters the woods, Jeny doesn't cover her fabulous figure, only covering up when the man comes too close, even then she pulls her dress right up as he retreats but not before he's seen her and he passes another man who catches Jeny as she steps out of hiding.

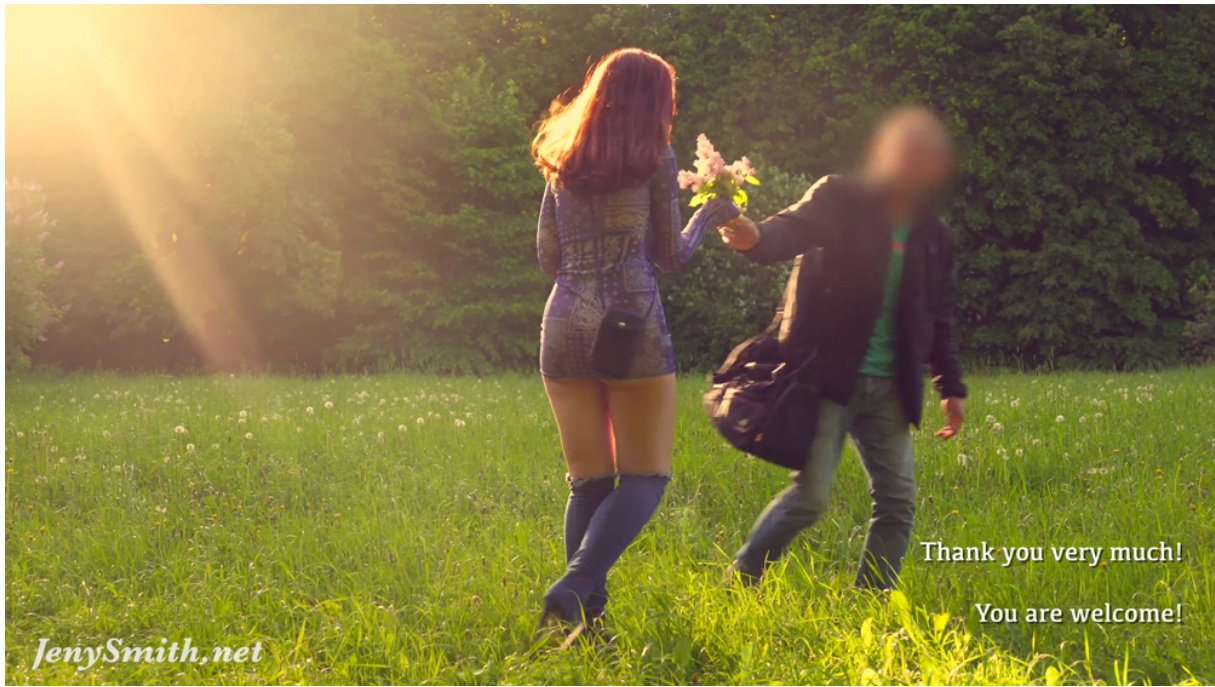

While this might have satisfied many exhibitionists it's a case of light blue touch paper and wait for the fireworks to begin for Jeny! Leaving Alex to carry her jacket, Jeny now walks ahead with the dappled sunlight really showing off her fabulous buttocks and all the time, walkers pass them by close by!

Jeny finds herself walking along one of the main paths that criss-crosses the park and there is a scene of Jeny simply walking along the path towards the camera with the hem of her dress riding up exposing her perfect pussy with its tiny landing strip perched above her hairless lips and we mustn't forget her fabulous nipples trying their hardest to burst through the thin material of her dress. Then she turns to repeat the walk so her bare bottom is now on show and what a joy it is to watch it gently wobble as she takes each step!

The next we see of Jeny is in a small meadow area which is bathed in sunlight and, in fact, with the sun shining on Jeny's dress, it appears to passers-by that she is naked! At one point a gentleman approaches Jeny and hands her a bouquet of lilac and tells her that he couldn't pass a lady of such beauty without gifting her some flowers. As he and his friend walk away, Jeny rewards them with a full frontal exposure of her perfect body!

And again in the next scene, Jeny is now sat down on the short grass beside the path. Jeny still has her gift of bouquet of lilac and Alex has a perfect view of Jeny's pussy but what he doesn't know is that Jeny has a female admirer sat behind him! So he doesn't know why Jeny is opening her legs to show the girl her perfect pussy

Now to the next scene, it's dusk and the plan is for Jeny to walk with her dress pulled up so her fabulous body is on show but Alex realises that it's still light enough for people to see Jeny's nakedness. But later he orders Jeny to remove her dress and walk naked to a lit area.

This is manna from heaven for Jeny who without hesitation removes her dress and hands it to Alex. This is one of Jeny's favourite aspects of exhibitionism when she has nothing to hide her nudity.

Sadly for us (and maybe for Jeny too?! the situation never arises and Jeny puts her dress back on. However where she is standing, her body is still on show, especially her nipples. Jeny is now leaning against a tree with her hands behind her and a passing by couple ask if she is tied up)

So with one last stroll around the lit area,they make their way back to the car but even then that isn't without its problems as they are followed by a guy who openly masturbates in front of Jeny and although Alex chases him away, it is a unfortunate end to the evening.

Poka poka
