

Review for video “The Subway Dreams”

Tags: [psychologist](#), [subway](#). Published: 28 July 2021

This is one of my all time videos of Jeny. It is 44.33 minutes of slow, erotic teasing and touching. Jeny is wearing a vivid blue shirt dress. It has brown/orange Aztec/flower style patterns on it and is cinched in at the waist by a wide black belt that shows off her curves. It is very, very short. Her legs look fabulous and the black patent high heels help to emphasise her calves and thighs. Her skin is glowing.

Jeny introduces the video. She says this will be a psychologist test. It will be a sensitive interesting topic and Jeny thinks it will excite us! Intriguingly she also says that the previous day she got in a situation shooting her previous video but subtitles tell us the scene of that in the video has been cut.

So we next see Jeny bringing her victim (who we later learn is called Shim) into the studio. He sits on a sofa which is by a large bank of windows. Jeny sits in an armchair facing him. She talks with him for a while to relax him. She then explains the previous day she was on a crowded subway train during the rush hour and a young guy slid his hand over her butt and tried to pretend it was accidental.

She wanted to know if Shim had been in similar situations. He said he had so Jeny said she wanted to see how the situations had come about. It does sound like this is going to be an exciting scenario!

So Jeny gets them to stand up. With her heels she towers over Shim. She wants them to pretend they are stood close together on a subway train. He stands slightly behind her. They both have their hands up as if they were holding onto an overhead rail. Shim's arm rest against Jeny's butt. Jeny gently moves back and from side to side so his arm brushes against her. Jeny said it was awesome.

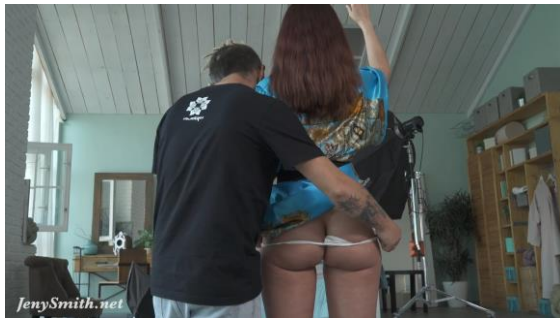

A girl is standing.
She turns around.
She prepares to exit a car.
She's waiting for a stop

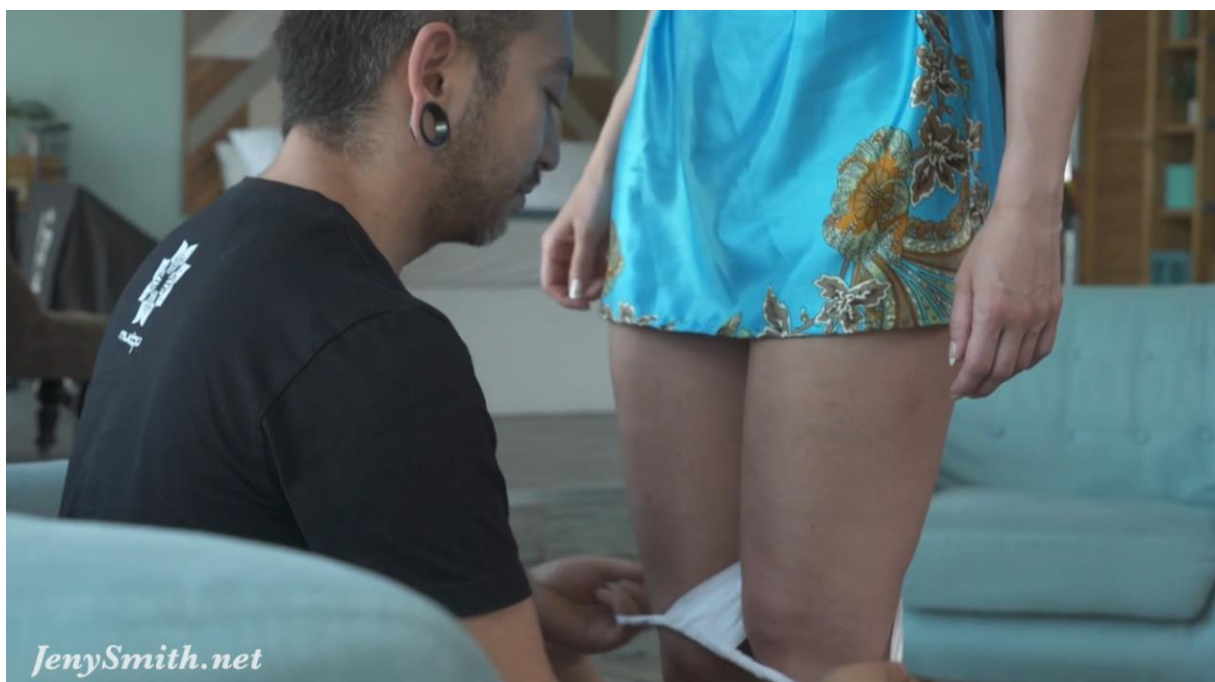

They then sit down again to discuss what has happened. Jeny wants to know if Shim could get away with it in real life by pretending the touches were accidental. He thinks he could as long as the touches were light. He also said his feelings were strong because it was something he shouldn't really be doing. Jeny enjoyed it because she knew what was going on and could move her body away if she wanted to.

After a few moments they stand up again. This time Jeny wanted them to be slightly apart so that if there was to be any contact, Shim would have to move towards her. So they continue talking. Shim is able to look more at Jeny's body and after a short while he is close enough so that with his arm at his side he can once again rest it against Jeny's butt. Shim admitted he got excited with the touches. He tried to imagine what lingerie she was wearing. Being the flirt and tease that she is, Jeny wanted to know if he could feel whether or not she was wearing panties. That's a good question. Is she? She doesn't usually.

Shim asked what sort of signs a woman might give as encouragement for a guy to do more. Jeny explained she would bend slightly forward so that her butt move closer to the guy. She also moved as she described. She told Shim not to look down as she lifted the hem of her dress so those fabulous butt cheeks of hers become visible. We now see she is wearing white panties!

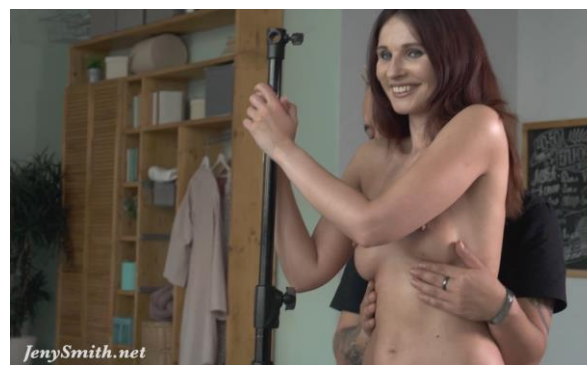

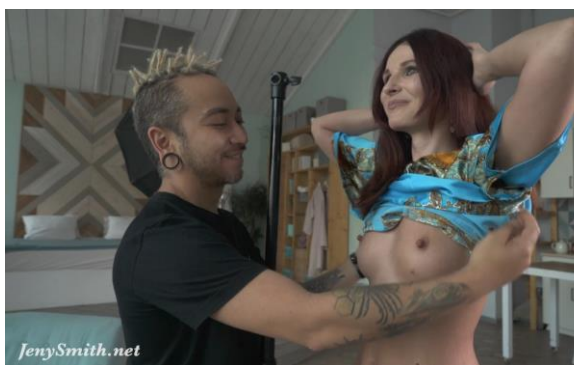

She tells Shim to put his arm back on her butt and of course his arm can now feel the bare skin of her left butt cheek. Shim says it is “more than pleasant” (which seems to be a bit of an understatement to me). Jeny then tells him to imagine the carriage is very crowded so any passengers seated cannot see what they are doing. She turns to face him and pulls her dress up at the front so that the whole of her panties and her lower tummy can now be seen. She says the “game” should now move to the next level. What does she mean?

To see the answer, you should watch the video in full. As I said in my introduction there is a lot of slow erotic teasing. Without hopefully giving too much away, I've provided some photos of what happens between Jeny and Shim during the next 25 minutes or so.

Some of the highlights of the remaining minutes are:

- Shim pulling Jeny's panties down to her mid thigh (what fabulous butt shots).
- Shim is sat down, Jeny is stood in front of him. She asks him to take her panties off
- Shim getting to touch the front of Jeny (her thighs, lower stomach and pussy area)
- Shim taking off her dress so she is fully naked (except for her heels)
- Jeny naked in her chair, legs open talking to Shim as if it was the most natural thing to do.

Jeny allowed Shim to touch her quite intimately because he was very gentle in his caresses and observed her boundaries. He was also very clever and struck me as being good at foreplay because he wanted Jeny to want him to touch her pussy but he said he would not do it. That is, he was quite a tease himself.

Footnotes:

1. The previous video Jeny referred to at the start of this vide must have been “His Orders 3. On my way to the office” released on 11 July 2021. Part of the video shows Jeny riding the subway flashing her panties. A man can be seen secretly filming her “upskirt” on his mobile phone. Watch it here: <https://jenysmith.net/scene/8395814/his-orders-3-on-my-way-to-the-office>
2. Jeny had another incident riding the subway when she allowed a man to grope her which was also filmed. It was released on 26 January 2018 and can be found here. <https://jenysmith.net/scene/7042560/subway-groping-video>
3. Jeny developed a rapport with the victim Shim when shooting this video. She mentioned that after the shoot Alex was going to have a photographic session. Shim asked if he could take part and she readily agreed. He was such a lucky boy. The video and the photos are not linked on Jeny’s site but the photos can be seen here: <https://jenysmith.net/gallery/8401866/explicit-dont-watch-psychology-test-that-went-wrong> It is a stunning set of 148 photos and some really deserve the “Explicit” label.
4. Shim was also lucky enough to be invited by Jeny to take part in two more videos with her and to help her prank other victims. They were two game show type videos. You can find them at <https://jenysmith.net/scene/8629257/a-tv-show-game-test> and <https://jenysmith.net/scene/8637765/the-game-2>
