Jeny wanted to make a video with this blue suit, so she did. We see her at the entrance of a club. She wears a coat over it so she won't be spotted too quickly and she waits. She hadn't considered anything more than to show off here, but nothing went as planned, much to her delight but also to ours.

A guy approaches her and a heated discussion begins regarding her attire. So, naturally, Jeny unbuttons her coat so that the guy can enjoy the transparency of the suit, especially now that he sees that she is not wearing any underwear.

Jeny takes off her jacket and behind her all the people coming in or out of the club make comments about her very special outfit and don't take their eyes off her.

Now Jeny shows another way to wear her costume, with her breasts exposed. She has very successful in front of the entrance to the club and compliments abound.

While it wasn't planned, the guy encourages her to get into the club. She puts her coat back on and walks with him to the bar. But Jeny is there to play and since the room is dark, she decides to look for a quiet place to change. She walks up the stairs on the other side of the bar and begins to undress.

While she's naked on the stairs, a guy arrives and surprises her.

She explains to him that her suit is torn and that's why she took it off in this discreet corner. A discussion ensues. The guy is nice and looks at her with respect. She asks him if he'd like to see more. He gladly agrees, brings her a blanket and Jeny lies down, shows off, caresses herself.

With Jeny's permission, the guy takes pictures and gropes her.

Naked under her coat, Jeny returns to the bar. She finds the guy she met at the beginning of the video and she dances in front of him. She often opens her coat and many people enjoy the view.

A young woman approaches her. She thinks Jeny is very pretty. The girls are chatting together and Jeny seems troubled. Like a flirt, the woman asks if she can touch, caress, nibble on the nipples.

And it had to happen.

The evening is over and Jeny is in her car. We learn that the young woman was very sweet, that Jeny felt drawn to her like a magnet. That if it were a private at-home party, she'd be pretty sure it could end up in the bedroom. But that's another story.
