Running time: 30 mins 57 sec

Alex receives the "victim" in his office. He tells him that he needs to test a questionnaire for future hiring and that the interview they are going to do together is important for possible validation.

We see Jeny accompanying the guy. He settles into the chair opposite Alex while Jeny goes to her desk to the right of Alex's.

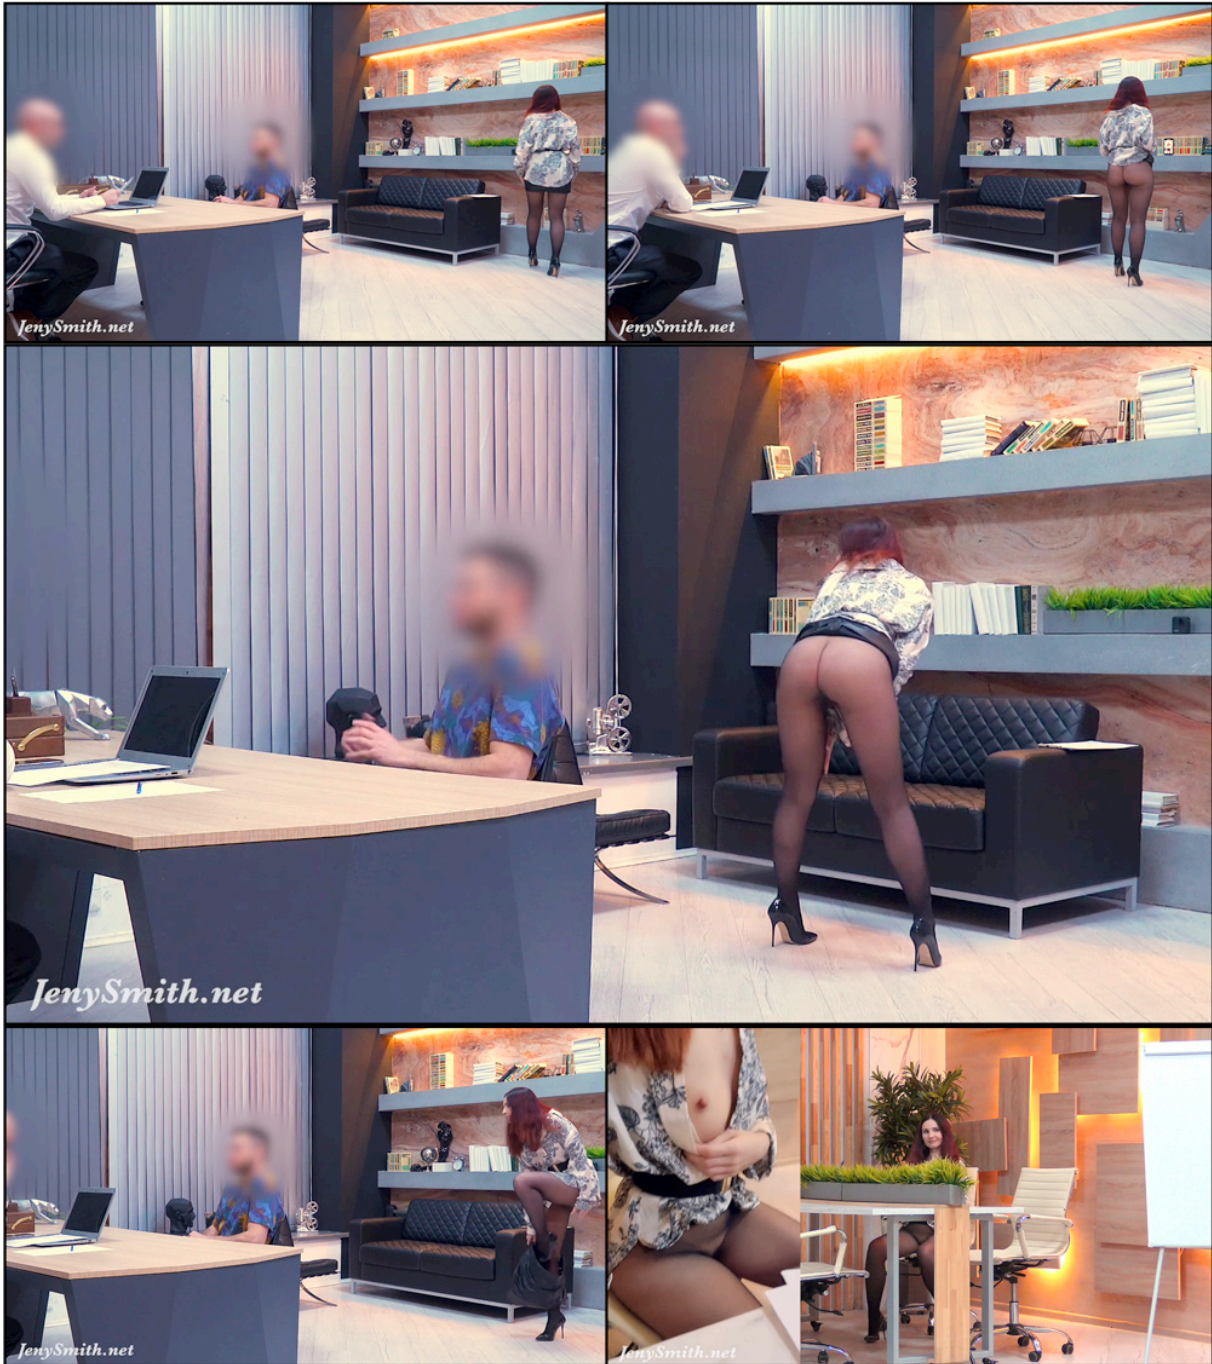

Jeny takes the questionnaire to Alex and we can already see that the guy is not indifferent to the secretary.

Back at her desk, we see that Jeny is wearing seamless black tights and no panties. She pulls up her skirt, looking for the young man with her eyes, but for the moment he seems attentive to Alex's explanations about the questionnaire.

Jeny leaves her office, clicking her high heels on the floor, and goes to pick up a book from the shelf behind the guy. She pulls her skirt to her waist and gets closer to him, but he doesn't know it. To continue the game, she takes off her skirt. Her shirt barely covers her buttocks. She goes back to her desk dressed like this, making as much noise as possible with her pumps to attract his attention. She opens her shirt for a moment to expose a breast, knowing that if the guy turns his head to the left he might see her. But he doesn't look. She now decides to take a document to Alex so that the guy will discover that she no longer has a skirt.

Alex leaves his desk and stands behind the guy while he answers the questionnaire. Jeny arrives in turn and Alex frankly caresses her bottom and breasts.

As Alex returns to his desk, Jeny does everything she can to get noticed. First she pulls up her shirt so that her buttocks is clearly visible, then she bends down to pick the book she has just noisily dropped. The guy turns around and enjoys the view of this magnificent ass.

Jeny is now sitting on the sofa behind the guy. She's fondling herself, showing off and even taking off her shirt for a moment. By Jeny's presence behind his back, the guy suspects something and deliberately drops his pen and catches a view under the shirt. At this point Alex asks Jeny to come and help the guy with the questionnaire. Will he take advantage of the deep cleavage?

Jeny resumes her game on the sofa and takes selfies with her phone. Her erect nipples confirm her excitement.

Back at her desk, Jeny takes off her tights then returns to sit on the sofa. Alex pretends to need to make a phone call and asks the guy to continue the questionnaire next to Jeny on the sofa. This is the perfect opportunity for her to have some fun. She undresses completely in front of him and provokes some naughty touching, which the guy enjoys. It all ends when Alex reproaches the guy for not concentrating and Jeny for disrupting the employees.
