Some naughty things happened in The Storm video. But after showing off her tits and her pussy while driving around town in their convertible car, here's how it all got very explicit and a bit by chance.

See the video, here is the link:

Jeny and Alex decide to go to a park to take photos. Jeny sits on a bench and plays with Alex's camera lens. The wind reveals her breasts and she doesn't hesitate to open her legs to show us her pussy but a man spotted her. He sat on the next bench and saw everything.

Jeny then tells us that after the shoot, the guy followed them and then started a conversation because he spoke Russian. That's when the storm came up and Alex asked the guy to get into their car. And after ?...
