

## Review for video “The Hairdresser Tutorial prt 2”

This video has a running time of 35:52 minutes. It starts with Jeny wearing light brown leggings, a white tee shirt with a logo reading “Listen to you heart” and white lace up ankle boots with towering heels. Oh, and she has a fingerless black glove on her right hand. The leggings have a heavy denier. But, when we are treated to a close up of Jeny’s camel toe, you can just about see the wisps of her landing strip beneath the material.

Jeny holds a thin white plastic sheet with a slit in it, in front of her. She blows the camera a kiss through the slit. She explains to camera that she is going to be a hairdresser again. She also says that as she has been asked by us, (not me, was it you?), she will be naughty today. Looks like we will be in for a treat.

A youngish guy then appears on camera. Thankfully his face is not blurred. He sits on a stool and Jeny places the plastic sheet over his head. He has a smile on his face. He must have noticed Jeny’s leggings as they cling to the curves of her butt and legs.

She stands slightly in front of and to the side of the guy to explain to the camera that she is producing a hairdressing blog. The guy mostly looks straight ahead but he glances from time to time at the figure of the gorgeous woman stood before him. No-one can blame him for that.

We then see him wearing the wig that Jeny has provided. Jeny then spends some minutes pretending to trim the wig with the scissors she is holding. She gets very close to the guy, firstly stood on his left side, then in front of him. She makes a point of touching him with her legs and body as she leans in.

He is so close he surely must have been able to smell her gorgeousness and feel the warmth from her body.

Jeny then move behind him. Her heels click on the floor. She lifts her top exposing her breasts. Her magnificent nipples look so hard.

She leans in so close her breasts are virtually on his right shoulder. Had he glanced back at that point he must have noticed her naked breasts. Jeny wiggles her boobs up and down and to the side and we see her nipple moving the plastic sheet.

The next segment shows Jeny with her breasts covered up fiddling with the plastic sheet. She asks the guy if he is worried and then talks with him about worry spots (no, I've never heard of those before either). She says you can find them on your body and offers to show him (so that explains what Jeny is doing here). With that, she takes the guy's left hand and places it on her stomach just below her belly button. She tells him his hand is so tense but then lowers it and then again. His hand ends resting only just above her pubic area.

She asks him to show her his worry spots. But she explains his should not be in the same place as hers. He now has a huge grin on his face and laughs so he surely knows this is going to be a very interesting session for him. Jeny says she feels he is taking the bad energy away from her. The camera gives us a close up of her hand holding his hand on her body. His little finger moves down feeling her body and he thinks no one has noticed it.

Jeny then moves his hand away and asks him where his worry spots are. He seems flustered now and doesn't have an answer. Jeny says she will give him time to think and continues with the hairdressing session. She moves around him making sure her body is very close to his. His hands are initially just resting on his legs. But the camera shows us as he slowly moves them towards Jeny's legs so the tips of his fingers gently touch her leggings. The guy clearly thinks he's been given a green light to become more daring. We see his fingers gently moving and stroking Jeny's leggings. Surely she must be feeling those movements, even though they are tiny? But the commentary explains that when looking back at the video Jeny had not noticed!

Jeny moves behind the guy and once again exposes her breasts. She leans in close, so close. The nipple on her right breast presses into the guys neck. Surely he must feel that? Jeny must be enjoying the feeling as she decides that her left nipple needs to feel the guys skin as well so she twists to rub that nipple over his neck as well. She then takes the chance to rub both her breasts on the back of the guy and she turns to the camera with a large grin on her face. Jeny is enjoying herself so much!

The video skips 5 minutes. Jeny is now properly dressed in front of the guy. She is on the guys right hand side leant close in and for some minutes she pretends to trim the wig. The guys right hand was laid flat on his leg with Jeny's thigh pressed in. He turns his hand on to its side so the top now presses into Jeny's pussy mound when she leans in.

After a short while Jeny asks the guy to sit straighter, which he does. As a result though, his hands now rest on his knees. So, Jeny now stands in front of him with her legs either side of his right leg. Whilst fiddling with his hair she takes the chance to bend her knees, rubbing her pussy into the back of his hand. Alex captures part of the scene from behind and slightly below so we are looking up

between Jeny's legs. Alex also shows us the view from the front and Jeny's pussy is clearly rubbing the back of the guy's hand.

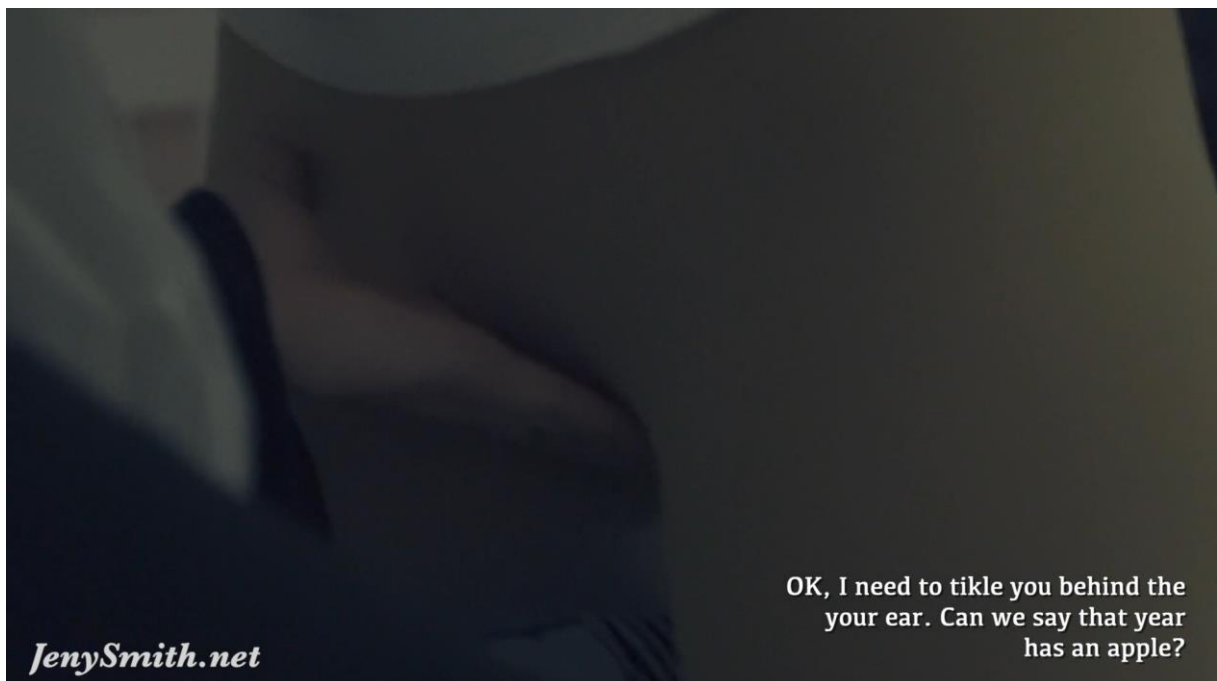

The picture literally then goes dark. Jeny says they must be out of power. Alex then puts a statement on the video to explain it's a trick they've done to see how the guy will react in the dark, thinking nothing can be seen. However, Alex has a camera that works in low-light conditions.

Jeny tells the guy she can see well enough to carry on until when the lights come on. So she carries on. The top halves of Jeny and the guy are quite clear from the ambient light, but the bottom parts are darker. However Alex's low light camera shows things very well although the guy has been told that the camera is only showing silhouette.

Jeny has moved to the guy's left side. He is going to take advantage of the darkness and the camera clearly shows him stroking Jeny's thigh with the fingers of his left hand. Jeny carries on as if nothing unusual was happening whilst she fiddles with the wig and they talk about singing. She then engineers a hotter situation by straddling his leg so his hand is now between her legs. What is he going to do? We soon find out.

The guy caresses Jeny's outer pussy and the camera also switches to the rear view to see him feeling her butt cheeks. Jeny comments "it feels so strange" and initially moves away but she soon returns to straddle his leg. She talks in a matter of fact way about the shoot and the lighting situation as the guy caresses her inner thighs. And then...at 22.10 minutes the guy goes for Jeny's pussy...but gently.

He rubs her pussy backwards and forwards with the side of his hand. Then a short while later, he turns his hand palm up, cups her pussy and rubs it backwards and forwards for over a minute before Jeny steps away.

Jeny says she is feeling hot. She stands in front between the guy's legs. From the rear we see his hands gently move to cup and then caress her butt cheeks. She jokes "look how the darkness help the hands to work better". A clear sign for the guy to carry on. So he does. Whilst he gropes her butt Jeny says her leggings feel like skin and from a distance look like bare legs. The guy really doesn't need to be told that as he can feel what they are like and he is up close and personal with the leggings. Jeny then moves his right hand to the front and underneath her tee shirt. We can see his hand slowly moving upwards beneath the material but you have to imagine he took the chance to gently caress Jeny's left breast.

Jeny tells him she's finished and will have to check her work when the lights come back on. She steps away but only to lift up then remove her tee shirt baring her breasts. She turns to face him, saying she is hot and asking him if minds. Of course he doesn't! He is then told to stay put and not to turn around as she walks to the rear. What has she in mind now? We soon find out.

She sits on a chair at the back of the room. She tells the guy she has to fix something on her shoes. In fact she pulls her leggings down before taking her boots, then the leggings off. She is naked except for a pair of trainer socks and the boots which she has put back on. We see her then walking towards the guy.

You hear the click clack of her heels on the floor. She circles behind the guy and to the side. She then steps before him. The guy has done what he was told and did not look back. But he now looks up to be confronted by Jeny in all her naked glory. He takes a while in the low light to take in the glorious vision stood inches away from him. A huge smile spreads across his face. Although the light is low you can make out the tan lines on Jeny's body caused by what must have been her sun-bathing wearing bikini bottoms.

Jeny tells him he was supposed to close his eyes which makes him laugh. She then asks if he likes it to which he replies it is a dream come true. Whilst naked she talks normally with him, teasing him (members will know this is something Jeny really likes doing). She walks around him and leans in close. Her stiff nipples are only inches away from his face. Asking him if he is confused, Jeny the Queen of Tease leans in even closer.

Jeny then admits to him that she is running a test. But already his hands have reached slowly behind Jeny making tracks towards her lovely butt. We see him caress and then squeeze her butt with both hands. His hands then wander to Jeny's front and then up her body towards those magnificent breasts. The caption tells us he wanted to kiss a nipple. Not a surprise really, but he just about manages to stop himself from doing so.

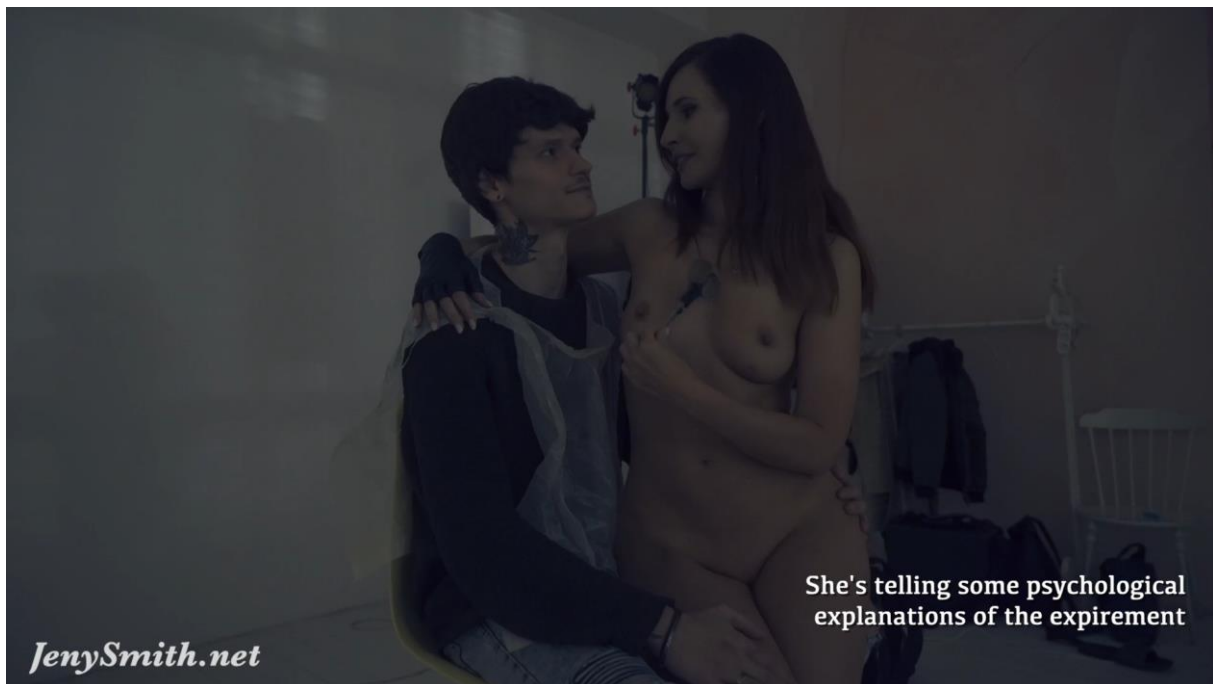

His hands reach as high as her underboob and his fingers encircle but do not touch her nipples. Jeny gently moves his hands down so he slowly traces downwards and then around again towards Jeny's butt, then back towards her lower tummy, just above her pubic area and then on to her thighs. It is like he is giving Jeny a slow sensual massage.

The lights are still off but the camera shows quite clearly what is happening. Jeny has moved away slightly, giving the guy a better look at her nakedness. First full frontal, then she twirls to show the magnificent rear. She moves in closer again and teases her right nipple with the handle of the scissors. It seems she could hang the scissors on that nipple as it is so engorged and stiff.

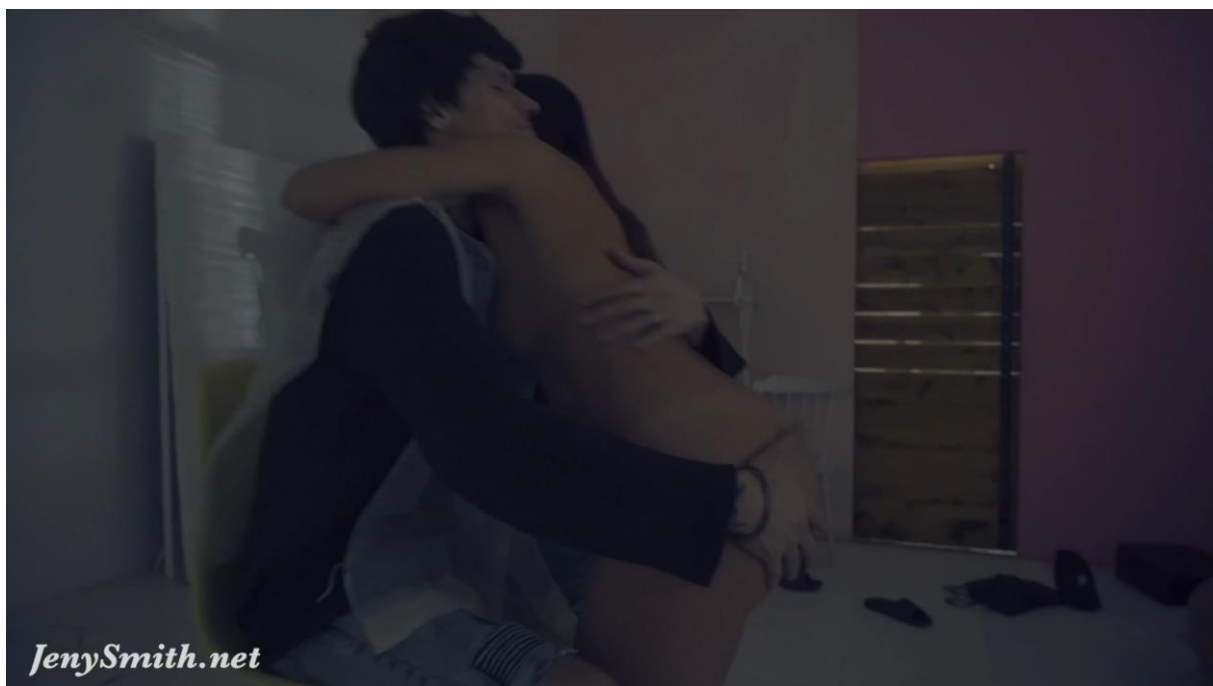

She stands between the guys legs. He sees his chance and slowly moves his hands to her butt again. We see his fingers squeezing the soft cheeks of her butt, gently at first then stronger.

But then surprisingly Jeny sits on his knee with her right arm around his neck. She talks to explain what has happened, that she is a doctor's assistant and they work on psychological experiments. This session took place to test his feelings and emotions. All the while, the guy's left hand cups Jeny's lower back and the other wanders gently up and down her inner thighs.

Jeny thanks him for taking part and then stands up facing him. He asks for a hug, which Jeny agrees to. She bends in to hug him closely.

That thrusts her butt outwards and luckily Alex and his camera are there to give us a wonderful view. The guy uses his right hand to squeeze her butt cheek and then brings his other hand in to join the fun. As a result, Jeny's butt cheeks are pulled apart to give us a look at her butt hole.

The end parts first show Jeny removing the plastic sheet from the guy then using it to playfully cover her body. After she dresses, the lights are back on as she stands besides the seated guy saying good bye to the viewer.

Footnotes:

1. Jeny said in her comments to the video that their eyes had adjusted to the dark and they could see each other quite clearly. (It seems to me the semi darkness must have added to the erotic nature).
2. In the closing commentary we are told the guy could not believe at first what was happening but then decided to take his chance. It seems because he did so slowly and carefully, Jeny allowed him to do quite a lot with his hands.
3. Jeny said in one of her comments to the video that there were three parts when she became really aroused: when he cupped and rubbed her pussy with the palm of his hand; when she sat on his knee; the last hug when her nipples rubbed against the plastic cover.
