

Review for video "A Handyman"

Tags: Handyman, Handy, Voyeur; Published: October 22th, 2022

Running time: 43 mins 52 sec

The video is in Jeny's new studio where there are plenty of small jobs available for handymen to become Jeny's latest victims. The first we see of Jeny is her greeting the handyman wearing a hoodie over her leotard 'unfortunately' she's forgotten her skirt and the hoodie barely covers her butt cheeks as Jeny is only wearing a tight leotard beneath it!

We watch as Jeny shows the middle aged man what she would like him to do. To ensure she is safe with the man, we see a "sleeping" Alex on a sofa some distance from. her stage leaving the man working.

Let the games begin!

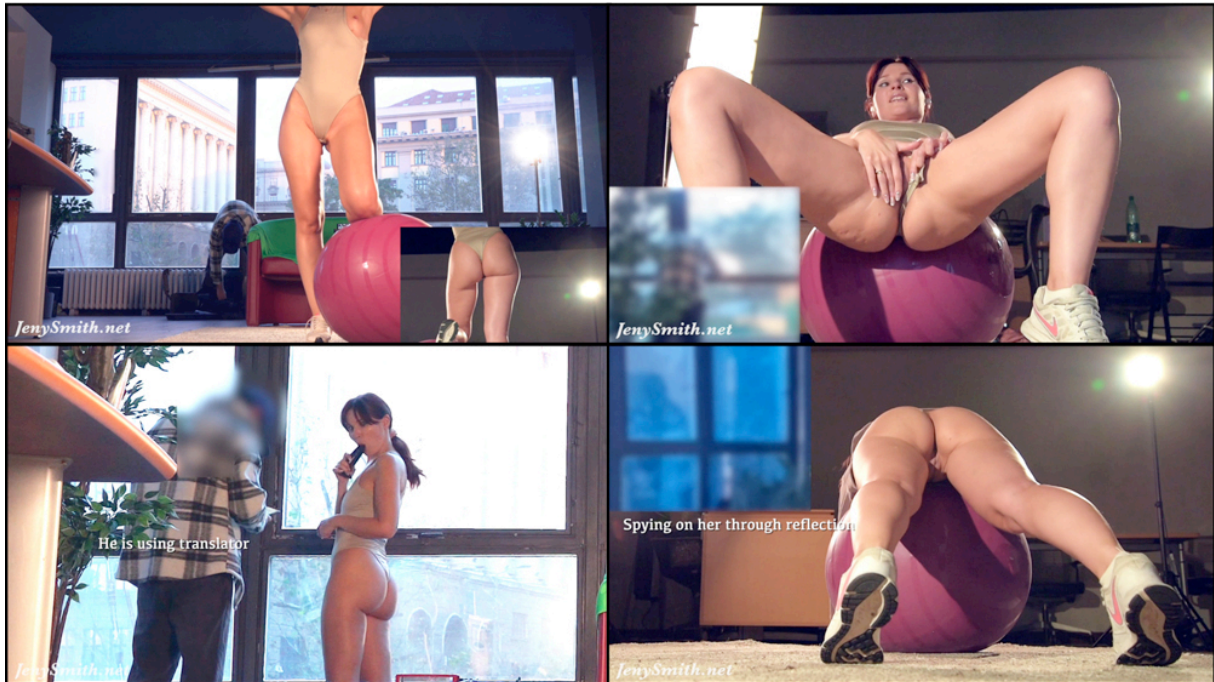

Jeny is doing a stretching class. Wearing earphones she starts her exercises and we know how flexible she is! At first the man appears to pay little attention to Jeny but now she turns her back to him as she continues this time bending over to touch her toes. This has the effect of pulling her hoodie up and the added attraction of her leotard riding up between her cheeks leaving her gorgeous ass almost naked. Needless to say but with her back to him, the handyman takes full advantage and looks directly between Jeny's bare legs..

As Jeny continues the stretching exercises the man nervously approaches her seeking to ask Jeny a question but is greeted with a vision not only of her barely covered butt but also the leotard pulled up between Jeny's pussy lips. Deciding that discretion is the better option he retreats to the safety of his job! Returning only when Jeny is not so exposed to ask for a mop and bucket. This becomes yet another excuse for our lovely lady to tease once again. From becoming a simple task of fetching the cleaning materials to Jeny bending over to let the handyman have a great view of her gorgeous ass.

The next 20 minutes of this fabulous video is a masterpiece of Jeny teasing including the use of a big black toy (which leads to a scene with her talking to the man whilst the toy is in place!) Further fun comes with the film covered windows becoming huge mirror which enables the work man to watch Jeny on her exercise ball exposing her pussy but don't just take my word for it join us at jenysmith.net to enjoy hours of Jeny doing what she does best!
