Jeny is wearing a red suede hat, earrings, a chain, a black leather jacket, black vest top and black suede shoes with towering gold heels.

Here she also wears the red patterned Wolford fishnet pantyhose (tights) that we first saw in a previous video called “Some of my new things! I had doubts about the pantyhose, but as you will read later, I was wrong.

Jeny struts around showing off her outfit and her fabulous butt through the pantyhose. We soon know that things are going to get hotter as Jeny puts a gloved hand inside the pantyhose to rub her pussy and we get a glimpse of her landing strip. The top then comes down to expose her breasts and perky nipples.

She then reclines on the sofa giving us the chance to have a closer look at the gusset on the pantyhose as she opens and closes her legs. She brushes her nipples over the sofa cushion and toys with them with her gloved hands and the chain.

Alex’s hand then makes a brief appearance to smack Jeny’s butt, to squeeze her cheeks and to toy with her butt crack.

Jeny then reclines on the sofa and in close up we see as fondles and jiggles her breasts and plays with her nipples. She is getting serious now.

We get a close up of the gusset. It is sheer but opaque and we can see her pussy lips. She is masturbating using her gloved hand outside the pantyhose. We see her head back, eyes closed and we hear her as she jerks to an orgasm. But that does not satisfy her.

She removes her hat and a glove and puts her hand inside the pantyhose. The gusset acts as a window.

She inserts her middle finger into her wet pussy. The tip of her ring finger gently caresses the sensitive area between her pussy and her butt hole. Her legs are spread wide already but she drapes her left leg over the back of the sofa. We see her with her nipples standing erect, her head back, eyes closed, mouth open, grinding into her hand, her fabulous butt cheeks rising from the sofa as she cums again but more powerfully this time.

She slowly recovers and she caresses her breasts. She then slowly and sexily sucks her juices from her finger.
