We start the video learning that Jeny has been let down by a girl victim only to find out that she has (and we have!) had her prayers answered when Jeny receives a call from an unsuspecting victim!

The next we see of Jeny is her greeting the young man wearing her mini- miniskirt, a zip up top, reflective pantyhose and the most incredible black very high high heeled shoes! Unlike previous psychology videos the victim is not obscured and the conversation between Jeny and the guy is left in \*it's normally just listed as 'usual questions ' this is wonderful as we hear Jeny laying her trap!

The conversation continues as Jeny treats us to unobscured views of her legs. Gently stroking her pantyhosed clad legs and she tells the guy how pleased she is with them. Much to our surprise the victim disagrees with Jeny telling her that he doesn't like them.

Jeny quickly turns that to her advantage and the web draws the victim in. How does she do that? She tells the young guy to remove them and we watch as she stands before him as he reaches up beneath Jeny's miniskirt and proceeds to pull them off. At this point she nearly falls and says 'do you mind if I touch your body' and the guy says 'do you mind if I pull your pantyhose off!'

We can clearly see that Jeny is pantieless (well you didn't expect anything else did you?)

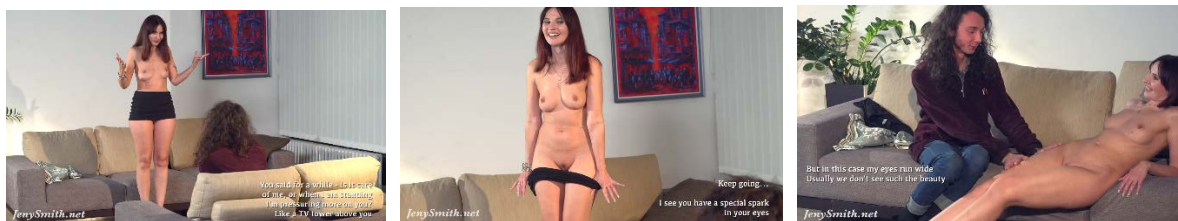

They sit down opposite each other and the chemistry between them is tangible. The young guy tries not to look at Jeny's long legs before admitting defeat when he says 'my eyes keep going back to them!'

Jeny teasingly says Are you hot? The temperature hasn't gone up! before pulling the zip down on her top revealing she's not wearing a bra either! They talk as Jeny occasionally opens her legs revealing a small landing strip of pubic hair. The guy admits that he is finding difficult to think, let alone speak! Just imagine being in his shoes! Wouldn't you be tongue-tied!!

Jeny raises the temperature another notch by asking him if he could choose an article of her remaining clothing to remove. She does insist on keeping her shoes on. Jeny preceeds the offer by telling him 'why do you keep looking down there?' as she points to the heaven that lies between her bare legs. The young man can't think let alone speak. So Jeny is surprised when he chooses to remove her top and she says to him that she thought that he would remove her skirt so that he could see her pussy to which he reples that he hopes to see it later.

Jeny again stands before him as he unzips her blouse to reveal her perfect breasts. The guy tells Jeny to stand so he can enjoy the view! Out comes our teasing Queen as she pulls her miniskirt down on one side gradually revealing more and more of her pussy lips until all is revealed and there is Jeny in all her glorious nakedness.

Sitting back down on the sofa Jeny pats the cushion next to her indicating to her 'client' that he must join the nude Jeny. He stumbles across the room and manages to almost collapse next to Jeny.

This is where the fun begins and to see what happens in the next 20 minutes you'll have to join us at [jenysmith.net](http://jenysmith.net) where you will not only find out the ending of this video but also watch hours of Jeny doing what she does best and why she is known as the Queen of tease!
