First things first, don't be put off watching this video if you don't have a nylon fetish! Silly me! Of course you'll still watch it (if like me you have a Jeny fetish!)

And so the video begins, we are greeted by Jeny and she's wearing.....,just a sports top! We get to watch her spreading her lovely butt cheeks as she walks around the studio. Cut to Jeny now in full fetish mode as she strolls into view wearing the shortest of skirts, the highest of heels and the shiniest of pantyhose and a zip up top. To those that do have a fetish for nylon, you'll be in heaven as Jeny strokes her legs from heels to her gorgeous ass but Jeny knows her audience well, first to go is the skirt quickly followed by her top. Leaving Jeny in just her pantyhose and shoes, the oily sheen of the nylon shown off to its best. Those with a true nylon fetish will make a better review of what follows, safe to say you'll love it!

Cut to Jeny sitting in their apartment by the floor to ceiling windows showing her nylon clad legs off to those passers-by lucky enough to be passing by! The next scene is Jeny in just lace topped stockings as your favourite geography teacher (I for one would be able to know more about the world if Jeny had been my teacher!)

There follows a selection of scenes of Jeny in various changes of clothing but my favourite moments is of Jeny bouncing up and down on what surely is her exercise ball! You'll have to join us at Jeny's site to find out the truth!

On a personal note, I have to say I've never seen Jeny looking so beautiful in those scenes.

We end this video with Jeny and Alex making passionate love outdoors over the bonnet of their car. We are told to look out for the expression on Jeny's face at the thought of being caught and that is what we see at the end. I won't spoil it for you.

All in all, you certainly don't have to be a lover of nylon to enjoy this wonderful video!
