

## Review for “Tape project prt 2”

Tags: **tape, masturbation;** Published: **January 13<sup>th</sup>, 2023**

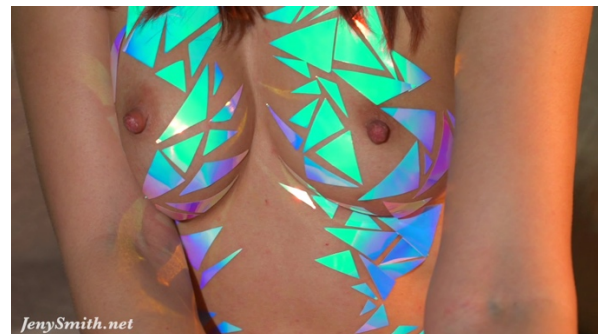

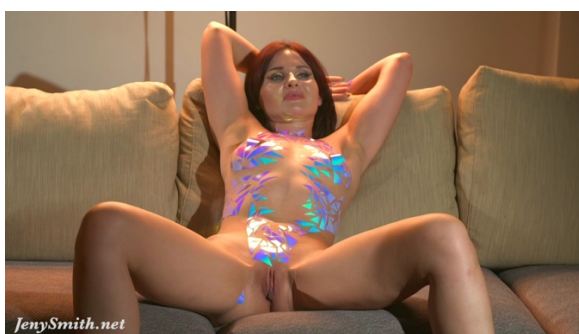

For those who have read the first review, you'll be pleased to see Jeny back in the warmth of the studio! Not that it takes long for the temperature to rise with Jeny minus coat cavorting on the couch with just triangles of tape covering her nipples and pussy. Jeny at her teasing best as she stretches her gorgeous legs wide apart, only the photographer getting closer.

We watch as Jeny poses for the lucky guy whist catching our eye with a teasing grin and a flash of those beautiful eyes, until she reaches down and slowly removes the tape that covers her hairless pussy, Heaven!!!

Jeny sits there brazenly with her legs spread wide as she removes the 2 pieces of tape covering her by now erect nipples. Like 2 lovely jewels, they stand up proud and Jeny can't help rubbing them and tweaking them!

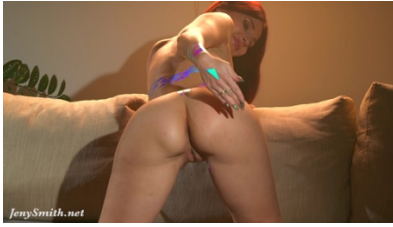

Jeny is obviously excited as we see in a close up of her very wet pussy. As we know Jeny is rightly proud of her butt cheeks and she kneels on the couch and can't resist smacking her bare ass. She wiggles her beautiful butt in the air and allows a breath-taking view of her smooth bare pussy.

One of the many traits that Jeny has is her relaxed and uninhibited way she is with nudity and sexual expressionism She is the embodiment of everything we think of what is eroticism.

Jeny almost absent mindedly strokes her pussy whilst being photographed. She is the Queen of tease and we watch as Jeny opens her butterfly revealing its wetness. We are near the climax of the video. We watch as Jeny, with her legs up and high heeled feet now in the air, masturbates and her eyes glaze over as she reaches her orgasm. But then we see that Jeny is not the only one cumming this evening! There amongst the iridescent tape is pools of Alex's cum all over Jeny's chest and as the camera pans across her body and down between her wonderful legs, we get to see the results of Jeny's and Alex's passionate love making, one open well f\*cked pussy!

Well guys that's all until the next adventure with the gorgeous Jeny xxx
