

Review for “Hairdresser 4 Left Alone”

Tags: **Hairdresser**; Published: **January 25th, 2023**

The video begins with Jeny awaiting her 4th hairdressing victim Jeny explains that for safety Alex. is watching by remote camera in the car She is wearing the shortest of dresses (the turquoise one that featured in a photoshoot and video from earlier in the summer) the front of which barely covers her nylon encased pussy and the back just covers her beautiful butt. Let the fun begin!

The victim arrives and agrees to be blindfolded (the reason for this is not clear as the sound is muffled, I am deaf and normally count on subtitles) but whatever the reason Jeny twirls in front of the guy to check that he can't see but we, of course, can and we get our first of many views of Jeny's magnificent ass!

Jeny continues with the haircut as the guy sits patiently. She positions a portable camera for close-up shots and is then seen pulling her dress up and then precedes to rub her pussy on the backs of his hands as his hands are now on his thighs. I'd have pulled up the blindfold by now but I have to admire his stoicism! Jenny is obviously excited as she rubs her pussy again and again against the poor unsuspecting victim.

The next scene has Jeny first pulling her dress even higher than as she stands and checks her handiwork Jeny quickly pulls her dress over her head and there she is naked apart from seamless tights and her shoes. There follows a sequence of Jeny crouching with her bare nipples brushing against the back of the guys hands. Then standing back to remove her pantyhose leaving her naked now.

I'm a great fan of Jeny's and I will never get bored of watching her strutting her gorgeous naked form in front of an admittedly blindfolded stranger. Then after rubbing various body parts on his hands Jeny brings out her pink cushion that at its centre is a large vibrating dildo! Jeny sits on the dildo whilst remembering to give the illusion of continuing to give the guy a haircut!

Not to give too much away (you'll have to join us at jenysmith.net) but you won't be disappointed with Jeny's games.

Jeny is the Queen of tease and continues to reign supreme!!
