

Video 554 "Silence 2"

Waiting for a professor like her -  
But she's not there, or is she already?

She's not there (Santana, 1977)

Well, no one told me about her, the way she lied  
Well, no one told me about her, how many people cried  
Please don't bother tryin' to find her  
She's not there  
Well, let me tell you 'bout the way she looked  
The way she'd act and the colour of her hair  
Her voice was soft and cool  
Her eyes were clear and bright  
But she's not there

Magic Man (Heart, 1978)

A pretty man came to me  
You know, I could not run away it seemed  
Seemed like he knew me, he looked right [to] me  
try, try, try to understand  
He's a magic man, oh, he's got the magic hands

Jeny's News Network, Afternoon News live!

We are proud to announce that JNN (Jeny's News Network) has now a new live reporter, Tom!  
Today, in this 16:00 afternoon news block, he is sitting in the control room of Jeny's office, several screens around him, and he is reporting about the next psychology test which should start now. Hi, Tom, what is going on in Jeny's office?

Tom: The victim just arrived and Jeny, dressed with a very short red skirt and a red top, leads him into the waiting room. What is new: in the psychology test today, the victim will be connected by an extra telegram channel to our control room so that he can give us his thoughts on this test. The victim is scheduled to meet a female psychology professor for this test, but Jeny – the secretary of the professor – just told him, that **she's not there** – up to now. He will have to wait with Jeny.

*Victim: Wow, what a large waiting room. And this good looking secretary is sitting directly in front of me. Wow, such a short skirt! And what an open top, I just saw her nipples, she does not wear a bra! And now she is looking out of the window, wow, I can see her butt cheeks a little! She is not wearing pants!*

Tom: Now Jeny tells him that the psychology professor will do the test naked! Let's see, how our victim is reacting.

*Victim: WHAT? OMG, I hope that the professor will be at least half as good looking as her beautiful secretary. But I hope, that Mrs. Professor needs a little longer to come here, then I can shoot some videos of the secretary!*

### The trick with the charging cable

Tom: Our victim is now recording some videos of Jeny. He has now a pussy view, Jeny is again sitting directly in front of him, her legs spread a little. He is now asking, whether Jeny's outfit is normal in this office. Jeny explains, that she has a date directly afterwards, and is therefore dressed a little more sexy than usual. (Oh Jeny, this is a lie!) Jeny's smartphone is dying and she needs to charge it. It's perfect, that the charging cable and the socket are directly behind the sofa. She has to bend over to plug in her smartphone.

*Victim: Wow, what a butt and pussy view, I have to record it! Hopefully, my memory card has enough space left! I am sure, this is already part of the test! And I see this little camera on my left, they are recording us!*

### A date with a cameraman?

Tom: The victim asks Jeny whether the test is already running. Jeny gives herself completely astonished and asks what he means? And now, Jeny explains, that a team shooting a commercial is waiting in another room, she will be a model in this commercial afterwards, that's the reason why she is dressed so sexy.

*Victim: Well, no one told me about her, the way she lies! That's in fact part of the test!! Having a date after work? Being a model in a commercial after work? She is lying! Or maybe having a date with the cameraman of the commercial? Hahahaha!*

Tom: Yes, victim, a date with the cameraman after work is a normal case for Jeny, but you don't know about it!

### The pantyhose effect: excuse after excuse why to oil

Tom: And now, after 22 minutes, the prank takes the first perfect turn: Jeny is finding reasons (or should I say: excuse after excuse) to get him to oil her! Jeny explains: Please oil my legs, for the commercial they want to have a pantyhose effect without pantyhose; please oil my butt, if I have to wear panties only; please oil my cleavage and my tummy, they should shine similar as the legs ... and so on.

*Victim: Wow, what a secretary! I have to oil her legs now! And then her butt, her cleavage, her tummy, ... she even pulls my hand with her hand to oil her pussy area! I don't think that other visitors having a date – sorry, an appointment – with the psychology professor here can stand this secretary! Well, no one told me about her, how many people cried before! And, sweet secretary, please don't bother tryin' to find her, the professor, she's not there, and that's good, she should not disturb us now!*

Tom: During oiling, Jeny had the great ability to act as if she is trying to hide her pussy with a small piece of fabric of her skirt or with her hand, or her boobs with her hands, but in reality revealing the view to her most secret parts: her hand with spread fingers revealed the view to her nipple perfectly!

*Victim: Wow, I am overwhelmed! This secretary is driving me nuts! Well, let me tell you 'bout the way she looked, the way she'd act and the colour of her hair, her voice was soft and cool, her eyes were clear and bright, and it's good that her professor is not there!*

Jeny is giving in: Prank!

Tom: Being completely naked, Jeny admitted that she played a trick on him. And Jeny said, that was also a test for her, for her reactions!

*Victim: Now I have been waiting for a professor for more than 30 minutes - but she's not there, or is she already? Is it not the secretary, but Professor Jeny Smith, the world famous naked psychologist, that was teasing me the whole time?*

## Reward or punishment? Massage or spanking? The victim will decide!

Tom: Jeny now lets the victim decide whether she had been a good girl or a bad girl during the last half an hour. The victim decides, that Jeny was (mainly) a good girl and that he will massage her, but only her back. Jeny goes to the sofa, bends over and the victim starts the massaging ... oh, it looks extremely professional! **This quite pretty man came to her, you know, she could not run away it seemed, seemed like he knew her, he guessed her prank quite early, he looked right to her, and try to understand: He's a magic man, oh, he's got the magic hands.** He is very good in massaging!

Tom: Yes, the victim knows what he is doing, massaging her back, her shoulders, her legs, her butt ... oops, even her pussy for a few seconds! We have to ask Jeny afterwards when and how she noticed it, because she asked, whether that was part of the regular massage program. Oh, and what a surprise! Suddenly, Jeny's right butt cheek received a hard (and loud) spank by him, and she asked him that her left cheek should be spanked, too – but a little softer, please! We have calculated it exactly: Jeny is 90% good girl and 10% bad girl (345 seconds of massaging vs. 30 seconds of spanking)! Now, at the end of this live report of Jeny's newest prank, we can ask her what she felt waiting for the professor not being there.

## Jeny speaking

It was exciting to sit on the sofa having only a little piece of fabric from my skirt to cover my pussy. And I didn't know how much was visible to him. I only saw that there was something "wrong", I saw it in his reaction. One of my best ideas was the charging cable behind the sofa. But I did not know, how my butt was visible to him while bending over the sofa. When he used his smartphone, I thought that he was reading messages. Now I see that he took videos all the time. While oiling, it was exciting to have my foot between his legs! He made me so much focus on our talk! Only watching the video now, I saw that, while massaging, he was touching my pussy much more than I thought he did.

## Our conclusion

All in all: 45 minutes of perfect and increasing teasing by Jeny, with a self-confident but polite test candidate, who was even an expert in massaging. A perfect prank video, it was one of Jeny's best and one leaving all participants (including viewers) in a happy mood! And Jeny had good luck with her "victim" who after 5 minutes sought eye contact and then enjoyed the different flashes very much.

He guessed relatively early that he was not waiting for the test but was already part of the test, and Jeny had to make different excuses on why she was wearing this sexy and open outfit and why to oil her legs, butt and chest. And with respect to the eye contact: The editing of Alex was perfect, because while blurring the face of the victim, there was a small “window” open showing the eyes of the victim in special situations. So you can see his looks showing much interest in the secret parts of her body. A 10 out of 10 prank video!
