

## Review for “Crazy SPA”

Tags: [spa](#); Published: **March 31<sup>st</sup>, 2023**

The film begins with Jeny swimming in the pool wearing her home made bikini (the yellow one with brown trim and the majority of the opening sequence is under water giving a crystal clear view of Jeny's magnificent ass and when she swims on her back we catch glimpses of the tiny strip of material that covers her pussy! As Jeny continues her swim she slides both pieces of material to either side of her breasts to reveal 2 perfect nipples which Alex can't resist fondling. Before we know it, Alex instructs Jeny to remove her bikini bottoms and swims away leaving her alone in the pool with her breasts still exposed, only returning some minutes later by which time there are some other bathers in the pool. Jeny clearly feels relaxed about the situation as she doesn't immediately put the bikini back on but instead sits with her legs spread wide only just covered by the water level before pulling them back.

The next we see of Jeny is climbing the stairs with a towel dropped across her shoulders, her pert nipples still exposed. Then handing her towel to Alex she pulls her bottoms down slightly to reveal the smallest of landing strips. Jeny continues up the stairs and finds herself in a large sun room alone but for her and Alex.

Making the most of the situation, Alex orders Jeny to remove her bikini and stand naked by a pillar. Handing the discarded garments to him, he walks away down the stairs leaving a completely naked Jeny behind. She tries to cover herself but the towels on the sunbeds are attached and so Jeny is left there, a mischievous smile on her face! Jeny clearly enjoying her predicament catches sight of the returning Alex. He tells her off for moving from her original spot, then orders her to go find her bikini which he has hidden somewhere!

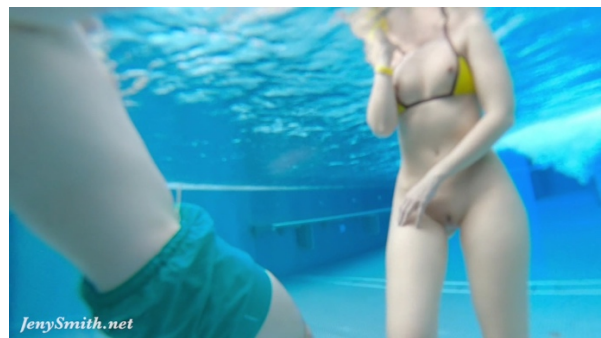

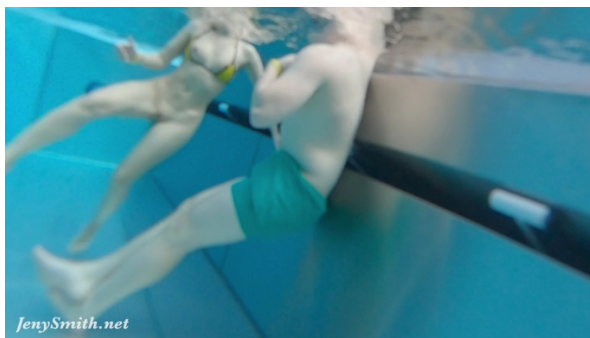

A nervous but excited Jeny goes to the staircase stopping briefly to see if she can see anyone below. Confident now, Jeny goes steadily down until she reaches the basement, her missing bikini almost forgotten in her adrenalin rush she is now experiencing. In full exhibitionist mood now she turns back to where Alex tells her that the bikini is hidden. Jeny trots up the stairs making her sensational breasts jiggle up and down. She briefly stops to play with her nipples (a clear sign that she is aroused!) before continuing up to the sundeck where the warmth of the sun plays on her nakedness.

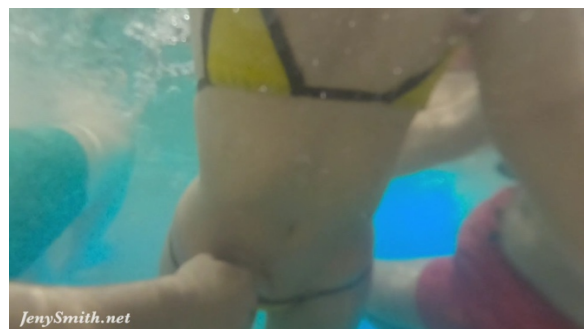

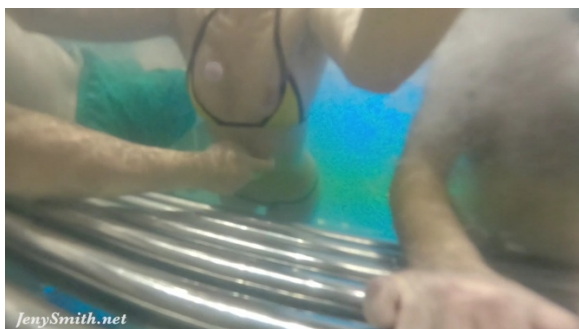

End of part one! Tune in to the second part of Jeny's adventures and find out why this is a CRAZY SPA!!

Welcome back to part 2 of my review of Crazy SPA

So we left Jeny strutting her stuff naked on the sundeck. Now she and Alex have returned to the outdoor pool area and Alex has taken Jeny's bikini bottoms and gone to hide them. Returning he sees that a guy is now chatting to Jeny (who, in case you weß only wearing a bikini top!) whilst standing in the pool. Seeing Alex returning, Jeny then releases one of her fabulous breasts from its cover and moments later both breasts. All this is happening under water so to the casual observer nothing untoward is taking place. They carry on talking whilst Jeny begins to float to the surface. Before all is revealed however, the guy swims away. Jeny then goes to the sundeck to make a selfie vjdeo and we get to watch the Queen of tease in her natural environment, she strips naked again and just looks so relaxed as Jeny dances with the warmth of the sun playing across her fabulous body.

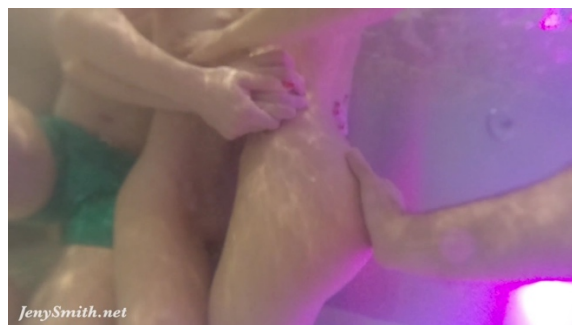

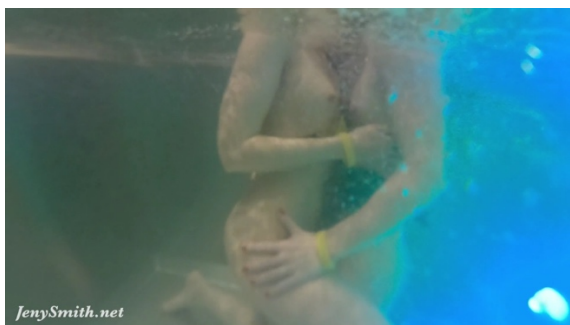

Alex has meanwhile gone to the bar to get Jeny some water and on his return, finds Jeny in a hot tub and chatting, again, with the guy she had met earlier. There follows a series of moves as Jeny 'accidentally' bumps against the hand of the lucky guy. Alex joins in the fun by turning Jeny over and strokes one of her nipples while the other guy slides his hand over her stomach (at one stage it looks as if he will slip his fingers beneath the bottom of Jeny's bikini) At that moment his girlfriend appears and all thoughts of further fun is put on hold.....that is until Jeny explains to her what they have been doing and the girlfriend finds the whole thing exciting and agrees to joining them all in the hot tub. Alex asks if she will be video bottomless with Jeny.

We wait to hear her response with baited breath. Yes, she says! Remember all that is about to happen is under water and takes place in a public spa!

The girlfriend and Jeny slip the bottoms off and all the pubic hair on show is Jeny's tiny landing strip as the other girl is hair free. We watch as they cuddle each other and if that was not sufficient the girlfriend releases Jeny's breasts and Jeny soon has her hands on her friends breasts. This leads to them both removing the others tops. There they are, both naked in a public spa and we see them stroking each other's breasts concentrating on nipples and then fondling each others bare butts.

They all decide that because of the noise coming from the jets of water they must stop before they are caught and arrested. It remains to be seen as to whether they are seen together again, fingers crossed ! So hopefully there will be a part 3!
