

## Review for “Crazy SPA”

Tags: **windows, touching, masturbation, up skirt**; Published: **April 7<sup>th</sup>, 2023**

This is a masterful video with Jeny doing what she does best, she is looking so beautiful, this time Jeny's in the new studio, sipping her coffee whilst gazing out across the street, watching the people outside as they go about their business. The occasional pedestrian glancing up and catching a glimpse of Jeny in her very short white dress. Jeny looks incredible in her black rimmed glasses. As she brushes her hair black from her face, we catch sight of her silver earrings, a magnificent large J and S. This is a relaxed paced video as the camera captures the view of Jeny from the street and another camera gives us a view of Jeny standing at the window. Slowly she pulls her skirt up revealing her naked ass and pussy whilst sipping her coffee.

The video cuts to the view from the street where Jeny can be seen quite clearly and a man walking his dog sees her and stops and watches.

We don't see his reaction to what happens next but we see what he misses as Jeny takes her dress off and displays her phenomenal figure. Now she turns to stand naked for any lucky passers-by to see.

Now we see what passers-by can see as we get to watch Jeny with coffee cup in one hand and bare breast in the other Jeny idly strokes her nipple whilst gazing out across the street. She has such a beautiful body which we are lucky to get to see from every angle.

Jeny sits now on her red stool (members will recognise this from her first hairdressing video in the studio and if you are not a member why not!) and, again, begins to play with her nipples.

We mustn't forget that this is all visible from the street! Jeny is obviously excited and continues to play with her nipples but this time with coffee cup out of the way, she edges forward on her stool to give us a fantastic view of her pussy (the very same view that can be seen from the street) Jeny starts to masturbate, combining rubbing her clitoris with the occasional slapping of her pussy lips. Jeny increases the tempo until she orgasms! We watch as she matter of factly stands and leaves the scene having left her admirers to they own thoughts on what they have been lucky enough to witness!

As I have already mentioned, to get to watch this and hours of Jeny in similar videos come join us at [jenysmith.net](http://jenysmith.net) and who knows what will happen the next time you have a coffee break!
